The Audi TT is one of the few cars which transcends the automotive world, and is applauded for its design per se. Since its launch in early 1999, the TT has been a spectacular sales success, particularly in the UK and

the USA. Quattro four-wheel-drive makes the TT unique amongst the current crop of coupes and roadsters. Nearly six years after it was first unveiled to the press, the car still turns heads, and has inspired a burgeoning aftermarket accessory and tuning industry. This all-color book will fascinate all Audi TT owners and sports car enthusiasts in general.

Periodontics Revisited

Ever since Western artists first discovered Bali in the 1930s, the island has been hailed as an earthly Paradise. Those early visitors were fascinated by a people who danced in flower-laden temples under the full moon and worshipped volcanoes. Today, the incomparable arts of the Balinese and the life of sun and surf together make the island one of Asia's prime tourist destinations. It attracts four-fifths of Indonesia's tourists alone. The Traveler's Bali Companion, with a thoroughness never before achieved, surveys both sides of this exotic land. Whether you want to know where to stay, where and what to eat, how to calculate the dates of the great temple festivals, or where the surf breaks best, this guide will not only tell you in up-to-the-minute detail, but will also provide you with in-depth cultural background.

Tony Willard has been--amongst many other things in motor publishing motoring correspondent of the Birmingham Evening Mail and Editor of Automotive Management (now called AM)--the best read trade paper for the motor retail trade. There are now stacks of ways to buy cars in the UK. So many that it is really hard for consumers to know where to get best choice, best value, best service, best after-care, best credit or whatever it is that they prioritise. In addition to franchised dealers there are: manufacturers selling direct to the public; rental car companies doing the same; car-buying agents; car supermarkets; used car dealers; internet traders; importers; auctions; and personal shoppers. Most car buying guides concentrate on **WHAT** to buy whether it be new or used. This book covers that, but assumes the buyer knows roughly what he wants. What has been missing
