The Hidden Gallery

In this cozy mystery, the first of a series, middle-aged sisters Faye and Barb decide to open a detective agency in Allport, their small town in northern Lower Michigan. They agree that Retta, their baby sister, will NOT be included, since she tends to take over any organization she's part of. Sweetly but firmly, Retta will tell you what you should do, could do, and will do. The agency does not take off, and Faye reconsiders the decision to leave Retta out, since as the widow of a slain state trooper, she's got contacts all over Michigan. Retta's only too willing to "help out" and immediately begins second-guessing their decisions, which leads to sparks between her and Barb. The sisters finally get a decent case: finding a man who apparently murdered his wife years ago and has been on the run ever since. As they try to investigate what happened, they're opposed at every turn. Local cops doubt the "lady detectives," and most of the town is convinced Neil Brown killed his wife and brother-in-law in a fit of anger. The murder victims' father has no doubt Brown is guilty, and he's furious that anyone might take a different view. Still, someone wants to keep the sisters from finding Brown and digging into what really happened the day he left Allport. As the sisters piece things together, the new police chief seems like a possible ally. The problem is that both Barb and Retta are attracted to him, and Retta seldom meets a man she can't get. Accepting defeat in that arena, Barb tries to concentrate on the case and proving Brown isn't guilty of murder. She succeeds, but it means she must face a desperate killer in a remote, dangerous spot. Only Faye and Retta can save her, and they have no idea where she is. Family humor--particularly the close-but-oh-so-different status of sisters, plays a big role in this murder mystery. Each sister has strengths and foibles. Barb, intelligent and composed, sneaks around town at night, correcting the spelling and grammatical errors on signs that drive her bonkers. Faye, kind-hearted but insecure, can't see herself as the capable person she is. And Retta? Retta knows she's attractive and clever. She's only trying to help when she tells you exactly what you should do with your life--or your detective agency. One reviewer's comment: "If you have sisters, you have to read this book!"

Twilight and History

The product of the author's lifetime, this powerful narrative, instersperses the

author's analysis of wars, philosophy, science, manners, sex, religion, morals, art, et al, from the Reformation to the present day, with biographical sketches of influential historical figures. His conclusion is that the decadence of the current age is merely a watershed for a new age in which Western culture will again flourish.

How to Run the World

From comic books to summer blockbusters, all people enjoy art in some form or another. However, few of us can effectively explain why certain books, movies, and songs resonate so profoundly within us. In *Echoes of Eden*, Jerram Barrs helps us identify the significance of artistic expression as it reflects the extraordinary creativity and unmatched beauty of the Creator God. Additionally, Barrs provides the key elements for evaluating and defining great art: (1) The glory of the original creation; (2) The tragedy of the curse of sin; (3) The hope of final redemption and renewal. These three qualifiers are then put to the test as Barrs investigates five of the world's most influential authors who serve as ideal case studies in the exploration of the foundations and significance of great art.

8 Reasons Your Life Matters

When your best friend falls in love with a rock star, you either join her in her fixation, or you spend a lot of nights eating ice cream and watching Netflix by yourself. If you can't beat them, join them, isn't that what they say? While Bree-my best friend since forever-couldn't get enough of "Trouble" and their lead singer, Rob Burns, I set my sights a little lower - and to the left. Rob's immediate left, that is, at least on stage. Tyler Cook was Trouble's lead guitarist, a tall, glorious, dark blonde, beautiful specimen of a man who could make ovaries explode and panties drop with just one twist of that smirky smile of his. Of course, it was all just in good fun, two girls going to Trouble concerts and screaming ourselves hoarse along with the rest of the fans. Bree's fascination with Rob, and mine with Tyler, was a fun little fantasy, a distraction from our boring everyday lives, mine as a dental hygienist and Bree's as an elementary school music teacher, until one day the "what-if" game Bree liked to play-and in, "what if we met Trouble some day?" and "What if they asked us to go on tour with them?"-actually happened. Actually. Happened. One minute we were going to see Trouble in concert, and the next, we were backstage, face-to-face with the real-live, sexy thing. I never expected to meet rock god Tyler Cook. I never expected to end up on a tour bus with sex god Tyler Cook. I certainly never expected to fall in love with the man, that beautiful, broken, wild man, or become so hooked I simply couldn't give him up-no matter what it cost, or who I hurt, even myself. Because sometimes you have to stop asking yourself, "What if?" Sometimes you have to find out what happens next.

1864

When Retta's "gentleman friend" is accused of murder, the Sleuth Sisters take on the case. Winston Darrow is a charmer, but his secrets create trouble that spills onto Retta, Barb, Faye, and even police chief Rory Neuencamp. Someone is out to get Win, someone he claims is the real killer. While Retta admits Win is less trustworthy than her daffy Newfoundland dog, she insists he's not a murderer.

Dogs become an issue when Faye rescues a mutt she finds hurt on the road. Retta, though doubtful about adopting strays, is determined that Faye's dog and her Styx will be great friends. As the sisters conduct their investigation, mysterious men interfere, each more threatening than the last. What do they want with them—and with Winston? When the situation turns dangerous, the sleuths hide Win at Rory's cabin, reachable in a Michigan winter only by snowmobile. In the frozen wilderness, Barb and Retta must ignore their differences and work together to stay alive. Back at home, Faye faces a deadly enemy with only Buddy and a couple of horses for backup. If the Sleuth Sisters live through this, it will be due to family solidarity, doggie instincts, and loyal friends. But really, who would ask for more?

The Back Door of Midnight

DANGEROUS DAYS It's been three months since Drothe killed a legend, burned down a portion of the imperial capital, and found himself unexpectedly elevated into the ranks of the criminal elite. As the newest Gray Prince in the underworld, he's not only gained friends, but also rivals—and some of them aren't bothered by his newfound title. A prince's blood, as the saying goes, flows just as red as a beggar's. So when another Gray Prince is murdered and all signs point to Drothe as the hand behind the knife, he knows it's his blood that's in danger of being spilled. As former allies turn their backs and dark rumors begin to circulate, Drothe is approached by a man who says he can make everything right again. All he wants in exchange is a single favor. Now Drothe finds himself traveling to the Despotate of Djan, the empire's long-standing enemy, to search for the friend he betrayed—and the only person who can get him out of this mess. But the grains of sand are running out fast, and even if Drothe can find his friend, he may not be able to persuade him to help in time

Sworn in Steel

When sixteen-year-old AJ Flynn finds a mysterious key at his new job at a London law firm, he and his scrappy friends begin a series of journeys to 1830 where they discover a crime only they can solve.

By Heresies Distressed

From the author of the beloved #1 national bestseller *Crow Lake* comes an exceptional new novel of jealousy, rivalry and the dangerous power of obsession. Two brothers, Arthur and Jake Dunn, are the sons of a farmer in the mid-1930s, when life is tough and another world war is looming. Arthur is reticent, solid, dutiful and set to inherit the farm and his father's character; Jake is younger, attractive, mercurial and dangerous to know – the family misfit. When a beautiful young woman comes into the community, the fragile balance of sibling rivalry tips over the edge. Then there is Ian, the family's next generation, and far too sure he knows the difference between right and wrong. By now it is the fifties, and the world has changed – a little, but not enough. These two generations in the small town of Struan, Ontario, are tragically interlocked, linked by fate and community but separated by a war which devours its young men – its unimaginable horror reaching right into the heart of this remote corner of an empire. With her

astounding ability to turn the ratchet of tension slowly and delicately, Lawson builds their story to a shocking climax. Taut with apprehension, surprising us with moments of tenderness and humour, *The Other Side of the Bridge* is a compelling, humane and vividly evoked novel with an irresistible emotional undertow. Arthur found himself staring down at the knife embedded in his foot. There was a surreal split second before the blood started to well up and then up it came, dark and thick as syrup. Arthur looked at Jake and saw that he was staring at the knife. His expression was one of surprise, and this was something that Arthur wondered about later too. Was Jake surprised because he had never considered the possibility that he might be a less than perfect shot? Did he have that much confidence in himself, that little self-doubt? Or was he merely surprised at how easy it was to give in to an impulse, and carry through the thought which lay in your mind? Simply to do whatever you wanted to do, and damn the consequences.

-from *The Other Side of the Bridge*

A Blue Hand

Psychic or psychotic? Anna knows her family is crazy. But when she goes to visit her aunt and uncle for the summer and learns that her uncle's charred body has been found, her life reaches a new level of insanity. Her erratic aunt's "psychic" abilities are exaggerated by her grief, and have become borderline violent. Alone in an unfamiliar town, Anna struggles to pick up the pieces and establish any sense of normalcy. She desperately wants to trust Zack, the cute boy next door, but even he might know more about the incident than he is letting on. But when Anna starts feeling an inexplicable pull to the site of her uncle's murder, she begins to believe that her family's supernatural gifts are real after all. Torn between loyalty and suspicion, Anna is certain of only one thing: she must discover who killed her uncle or she could be next....

Engineering Mechanics

The true stories behind historical events give readers a fascinating new look at our past. The revelations shock and amaze by exposing veiled motivations and convenient inaccuracies in well-documented actions by established leaders that often have a continuing effect on the world. Each of the fifteen chapters points out a myth that is held as a common truth in history and summarizes what we think we know. Then the author shreds the tale to academic ribbons using the latest findings on each subject. Each true story sets the record straight, reveals timeless ulterior motives, introduces important personalities who successfully (and suspiciously) avoided responsibility in common history texts, and notes underlining issues that have continued relevance in the modern age. For instance, did Nero really fiddle as Rome burned? Did Paul Revere actually alert the militia that the British were coming? Did the Catholic Church imprison Galileo because his teachings conflicted with the Bible? Weir takes on all these myths and tells the reader what really happened.

Talker

Outlines a provocative approach to diplomacy that addresses the needs of today's

globalized world, covering issues ranging from economic imbalance and environmental stress with recommendations for specific actions to unify the resources of governments, corporations and civic groups.

There's Something I've Been Dying to Tell You

The first look at the history behind Stephenie Meyer's bestselling Twilight series, timed to release with the third movie, Eclipse The characters of the Twilight Saga carry a rich history that shapes their identities and actions over the course of the series. Edward, for instance, may look like a seventeen-year-old teen heartthrob, but was actually born in 1901 and died during the Spanish Influenza of 1918. His adopted sister, Alice, was imprisoned in an insane asylum in 1920 and treated so badly there that even becoming a vampire was a welcome escape. This book is the first to explore the history behind the Twilight Saga's characters and their stories. You'll learn about what life might have been like for Jasper Whitlock Hale, the Confederate vampire who fought during the Civil War, Carlisle Cullen, the Puritan witch hunter-turned-vampire who participated in the witchcraft persecutions in Early Modern England, and the history of the Quileute culture that shaped Jacob and his people —and much more. Gives you the historical backdrop for Twilight Saga characters and events Adds a whole new dimension to the Twilight novels and movies Offers fresh insights on vampires, romance, and history Twilight and History is an essential companion for every Twilight fan, whether you've just gotten into the series or have followed it since the beginning.

Learning Java

Diary entries written by five Holocaust victims document the ordeals suffered in Nazi-occupied Lithuania, Hungary, Belgium, and Holland.

Changing Lanes

Shortlisted for the Jewish Quarterly-Wingate Prize 2016 A finalist for the Authors' Club Best First Novel Award 2015 It's April 1948, and war hangs over Jaffa. One minute seven-year-old Salim is dreaming of taking his first harvest from the family's orange tree; the next he is swept away into a life of exile and rage. Seeking a new beginning in swinging-'60s London, Salim falls in love with Jude. The only problem? Jude is Jewish. A captivating story about love and loss, Ishmael's Oranges follows the story of two families spanning the crossroad events of modern times, and of the legacy of hatred their children inherit.

The Other Side of the Bridge

The secret history of our most vital organ--the human heart The Man Who Touched His Own Heart tells the raucous, gory, mesmerizing story of the heart, from the first "explorers" who dug up cadavers and plumbed their hearts' chambers, through the first heart surgeries—which had to be completed in three minutes before death arrived—to heart transplants and the latest medical efforts to prolong our hearts' lives, almost defying nature in the process. Thought of as the seat of our soul, then as a mysteriously animated object, the heart is still more a mystery

than it is understood. Why do most animals only get one billion beats? (And how did modern humans get to over two billion—effectively letting us live out two lives?) Why are sufferers of gingivitis more likely to have heart attacks? Why do we often undergo expensive procedures when cheaper ones are just as effective? What do Da Vinci, Mary Shelley, and contemporary Egyptian archaeologists have in common? And what does it really feel like to touch your own heart, or to have someone else's beating inside your chest? Rob Dunn's fascinating history of our hearts brings us deep inside the science, history, and stories of the four chambers we depend on most.

The Door That Led to Where

Tate "Talker" Walker has spent most of his life hiding his scars under a bright punk facade, and until he sat next to Brian Cooper on a bus, it worked. But Brian has spent his whole life being the invisible man, and he's used to looking below the surface. What he sees in Talker is a fragile and lovable human being. Brian is outwardly straight, but Talker is desperate for love, and when Talker's behavior leads to some painful consequences, Brian is forced to come out of his closet—in dramatic fashion. He'll do anything to make sure Talker sees that he's the Prince Charming Talker has always needed.

The Man Who Touched His Own Heart

In a perfect world, software engineers who produce the best code are the most successful. But in our perfectly messy world, success also depends on how you work with people to get your job done. In this highly entertaining book, Brian Fitzpatrick and Ben Collins-Sussman cover basic patterns and anti-patterns for working with other people, teams, and users while trying to develop software. This is valuable information from two respected software engineers whose popular series of talks—including "Working with Poisonous People"—has attracted hundreds of thousands of followers. Writing software is a team sport, and human factors have as much influence on the outcome as technical factors. Even if you've spent decades learning the technical side of programming, this book teaches you about the often-overlooked human component. By learning to collaborate and investing in the "soft skills" of software engineering, you can have a much greater impact for the same amount of effort. Team Geek was named as a Finalist in the 2013 Jolt Awards from Dr. Dobbs' Journal. The publication's panel of judges chose five notable books, published during a 12-month period ending June 30, that every serious programmer should read.

Ishmael's Oranges

A sexy Jane Austen re-imagining by author Abigail Reynolds What if Instead of disappearing from Elizabeth Bennet's life after she refused his offer of marriage, Mr. Darcy had stayed and tried to change her mind? What if Lizzy, as she gets to know Darcy, finds him undeniably attractive and her impulses win out over her sense of propriety? What if Madly in love and mutually on fire, their passion anticipates their wedding? In *To Conquer Mr. Darcy*, instead of avoiding Elizabeth after his ill-fated marriage proposal, Mr. Darcy follows her back to Hertfordshire to

prove to her he is a changed man and worthy of her love. And little by little, Elizabeth begins to find the man she thought she despised, irresistible Celebrate the 80th birthday of Regency Romance with great books from Sourcebooks Casablanca! Praise for *To Conquer Mr. Darcy*: "Shows a different side of Darcy, a bold side unafraid of going after what he wants." -Hollywood Today "Sure to appeal to fans of lusty historical romance." -Library Journal "Abigail Reynolds sure knows how to steam up a page!" -A Readers Respite "If you always longed for Mr. Darcy to sweep Elizabeth off her feet, then this is your book!" -I Just Finished Reviews

We Are Witnesses

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY A sweeping story told in letters, spanning two continents and two world wars, Jessica Brockmole's atmospheric debut novel captures the indelible ways that people fall in love, and celebrates the power of the written word to stir the heart. March 1912: Twenty-four-year-old Elspeth Dunn, a published poet, has never seen the world beyond her home on Scotland's remote Isle of Skye. So she is astonished when her

first fan letter arrives, from a college student, David Graham, in far-away America. As the two strike up a correspondence—sharing their favorite books, wildest hopes, and deepest secrets—their exchanges blossom into friendship, and eventually into love. But as World War I engulfs Europe and David volunteers as an ambulance driver on the Western front, Elspeth can only wait for him on Skye, hoping he'll survive. June 1940: At the start of World War II, Elspeth's daughter, Margaret, has fallen for a pilot in the Royal Air Force. Her mother warns her against seeking love in wartime, an admonition Margaret doesn't understand. Then, after a bomb rocks Elspeth's house, and letters that were hidden in a wall come raining down, Elspeth disappears. Only a single letter remains as a clue to Elspeth's whereabouts. As Margaret sets out to discover where her mother has gone, she must also face the truth of what happened to her family long ago. Sparkling with charm and full of captivating period detail, *Letters from Skye* is a testament to the power of love to overcome great adversity, and marks Jessica Brockmole as a stunning new literary voice. Look for special features inside. Join the Random House Reader's Circle for author chats and more. Praise for *Letters from Skye* "Letters from Skye is a captivating love story that celebrates the power of hope to triumph over time and circumstance."—Vanessa Diffenbaugh, *New York Times* bestselling author of *The Language of Flowers* "[A] remarkable story of two women, their loves, their secrets, and two world wars . . . [in which] the beauty of Scotland, the tragedy of war, the longings of the heart, and the struggles of a family torn apart by disloyalty are brilliantly drawn, leaving just enough blanks to be filled by the reader's imagination."—*Publishers Weekly* (starred review) "Tantalizing . . . sure to please readers who enjoyed other epistolary novels like *The Guernsey Literary and Potato Peel Pie Society*."—*Stratford Gazette* "An absorbing and rewarding saga of loss and discovery."—Kate Alcott, *New York Times* bestselling author of *The Dressmaker* "A sweeping and sweet (but not saccharine) love story."—*USA Today* "[A] dazzling little jewel."—*Richmond Times-Dispatch* From the Trade Paperback edition.

Individual Taxation 2009

Ancient monuments all over the world - from the Pyramids of Giza, to Mexico, to the ancient sites of China - are also awakening, reacting to a brewing crisis not of this earth, connecting to each other in some kind of ancient global network. A small group of scientists is assembled to attempt to unravel the mystery. What they discover will change the world. Imagine that 12,000 years ago it really did rain for 40 days and 40 nights. That storms reigned supreme. Imagine that survivors of human civilization really were forced to take to boats or hide out in caves on mountaintops. Then consider that these same myths from around the world predict this kind of devastation will occur time and again. What could cause such a catastrophe? What occurs in nature with such frightening and predictable regularity? A pulsar. But this is not just any pulsar - the ordinary type that pulses once a second, a minute, or even a week. This pulses once every 12,000 years and sends out a gravity wave of such ferocity it beggars belief. Not only that, it's closer than anybody has ever imagined. For it lives in our own backyard. It is the Sun.

Trouble Makers

A new novella from New York Times, USA TODAY and internationally bestselling author Julie Kagawa in the Iron Fey series. *A Midsummer's Nightmare?* Robin Goodfellow. Puck. Summer Court prankster, King Oberon's right hand, bane of many a faery queen's existence, and secret friend to Prince Ash of the Winter Court. Until one girl's death came between them, and another girl stole both their hearts. Now Ash has granted one favor too many, and someone's come to collect, forcing the prince to a place he cannot go without Puck's help - into the heart of the Summer Court. And Puck faces the ultimate choice: betray Ash and possibly win the girl they both love, or help his former friend turned bitter enemy pull off a deception that no true faery prankster could possibly resist. Don't miss the first book in Julie Kagawa's highly anticipated new series, *SHADOW OF THE FOX*, AVAILABLE OCTOBER 2, 2018

Graduate Admissions Essays

In David Weber's *By Heresies Distressed*, the battle for the soul of the planet Safehold has begun. The Kingdom of Charis and the Kingdom of Chisholm have joined together, pledged to stand against the tyranny of a corrupt Church. The youthful Queen Sharleyan of Chisholm has wed King Cayleb of Charis, forging a single dynasty, a single empire, dedicated to the defense of human freedom. Crowned Empress of that empire, Sharleyan has found in Cayleb's arms the love she never dared hope for in a "marriage of state." In Cayleb's cause, his defiance

of the ruthless Group of Four who govern mother Church, she has found the task to which she can commit her mind and her courage. It is a cause for which she was born. Yet there are things Sharleyan still does not know. Secrets Cayleb has not been permitted to share, even with her. Secrets like the true story of humanity on Safehold. Like the intricate web of lies, deception, and fabricated "religion" which have chained humanity for almost a thousand years. Like the existence of the genocidal alien Gbaba, waiting to complete mankind's destruction should humans ever attract their attention once more. Like the existence of a young woman, Nimue Alban, nine hundred years dead, whose heart, mind, and memories live on within the android body of the warrior-monk she knows as Merlin. And so Empress Sharleyan faces the great challenge of her life unaware of all that task truly entails or of how the secrets the man who loves her cannot share may threaten all they have achieved between them and her own life. Safehold Series 1. Off Armageddon Reef 2. By Schism Rent Asunder 3. By Heresies Distressed 4. A Mighty Fortress 5. How Firm A Foundation 6. Midst Toil and Tribulation 7. Like A Mighty Army 8. Hell's Foundations Quiver 9. At the Sign of Triumph At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

To Conquer Mr. Darcy

Fifteen-year-old Miss Penelope Lumley, a governess trained at the Swanburne Academy for Poor Bright Females, takes the three Incurable Children of Ashton Place to London, England, and learns they are under a curse.

Bear Naked

In possession of transcripts of mysterious writings, disgraced former SOE soldier Sam Grant works with an Oxford professor and Greek archaeologist to decipher the writings and keep them away from the CIA and KGB.

Echoes of Eden

3 Sleuths, 2 Dogs, 1 Murder

An enthralling story of a poor and gawky kid who mysteriously becomes the world's greatest goalkeeper — a seamless blend of magic realism and exhilarating soccer action. "And you found it, this thing you were looking for?" It was darker now, and the city below Faustino's office was a jazzy dance of neon signs and traffic. The big man went to the window and looked down at it all, spreading his large hands on the glass. "No," he said. "It found me." When Paul Faustino of LA NACION flips on his tape recorder for an exclusive interview with El Gato — the phenomenal goalkeeper who single-handedly brought his team the World Cup — the seasoned reporter quickly learns that this will be no ordinary story. Instead, the legendary El Gato ("The Cat") quietly narrates a spellbinding tale that begins in a mythic corner of the South American rain forest, where a ghostly but very real mentor, the Keeper, emerges to teach the gangly boy the most thrilling secrets of the game. Combining vivid imagery and heart-stopping action, this evocative, strikingly

ethereal novel about loyalty, passion, and magic will haunt readers, regardless of their love for soccer, long after the story is ended.

Summer's Crossing

Offers tips on writing an essay for admission to graduate school, provides an explanation of the admissions process, gives advice on securing letters of recommendation, and features resources for locating scholarships.

The Lost Temple

At the beginning of 1864, the Civil War was far from won; terrible and bloody Union setbacks and casualties lay ahead. But as Lincoln and the nation ended the year, the war's end was in sight and slavery was on the verge of extinction. And, despite all the turmoil of war and political infighting, Lincoln also set the stage for a new era of westward expansion. .

Lips Unsealed

View our feature on Douglas Hulick's *Among Thieves*. Drothe has been a member of the Kin for years, rubbing elbows with thieves and murderers in the employ of a crime lord while smuggling relics on the side. But when an ancient book falls into his hands, Drothe finds himself in possession of a relic capable of bringing down emperors—a relic everyone in the underworld would kill to obtain.

Decipher

Of especially naughty children it is sometimes said, "They must have been raised by wolves." The Incurable children actually were. Thanks to the efforts of Miss Penelope Lumley, their plucky governess, Alexander, Beowulf, and Cassiopeia are much more like children than wolf pups now. They are accustomed to wearing clothes. They hardly ever howl at the moon. And for the most part, they resist the urge to chase squirrels up trees. Despite Penelope's civilizing influence, the

Incorrigibles still managed to ruin Lady Constance's Christmas ball, nearly destroying the grand house. So while Ashton Place is being restored, Penelope, the Ashtons, and the children take up residence in London. Penelope is thrilled, as London offers so many opportunities to further the education of her unique students. But the city presents challenges, too, in the form of the palace guards' bearskin hats, which drive the children wild—not to mention the abundance of pigeons the Incorrigibles love to hunt. As they explore London, however, they discover more about themselves as clues about the children's—and Penelope's—mysterious past crop up in the most unexpected ways. . . .

History's Greatest Lies

To win a frightened heart, you have to bare your own. Halle Shifters Book 3 Glory has been denying her feelings for Ryan Williams for months. He's beautiful, strong and a Bear shifter who claims she's his mate. The man is persistent, she'll give him that, but Glory's past has left her wary. Abandoned as a teenager, she's unsure that she can trust in the promises Ryan is making. Everyone leaves her eventually, even him. Ryan only left his mate to hunt down the man who'd shot her and threatened her best friend. He has no intentions of going anywhere ever again, but convincing his stubborn mate that he's in her life forever is proving tougher than he thought. When he finally gets her to agree to a date, he feels like he's won the lottery. Things never seem to go smoothly in the Bunsun-Williams family. Glory has issues from her past that need to be dealt with, and Ryan is just the man to do so. When one of them comes back to bite her in the ass, it will take baring his soul to get his mate to see that Ryan can protect her, even from herself.

Letters from Skye

By turns, it is riotous, deeply serious, practical and sad. Reading it is like being at her kitchen table with a glass of wine to hand. (Daily Telegraph) Lynda Bellingham was a tremendously gifted storyteller with a rich collection of tales of love, loss and laughter and this memoir brings her kind heart, courage and emotion to the page in vivid detail. There's Something I've Been Dying To Tell You is a brave memoir about Lynda's battle with cancer, facing death she found joy and shared it with millions. Her story is an affecting and at times heart-breaking one but it is so often laugh-out-loud too and ultimately the way Lynda told her life story serves as a great inspiration to us all. Woven into this very moving and brave story are extraordinary, colourful tales of her acting and family life that will enlighten and entertain as well as the journey that Lynda has taken to find the family of her birth father having already suffered heartache in her search for her birth mother. In the search for her father's family, Lynda finds a family with a history in entertainment showing that acting was always in the blood. This book was written in Lynda's final months and revealed for the first time, and in great detail, her fight with cancer and how her life was transformed since her diagnosis. This edition includes a brand new chapter written by Lynda's husband Michael about his love for her, her love of life and her glorious final send-off.

The Sleuth Sisters

Abby Halladay has the perfect life in Paris (New Jersey, that is). Then her fiancée Fred runs away to Paris (France, that is), her column is canned, and her dream home is diagnosed with termites. Forced to move back in with her parents and drive her dad's cab, Abby slowly but surely must begin to let go of her dreams of perfection and embrace the messy, imperfect life she thought she never wanted.

From Dawn to Decadence

From one of the greatest spiritual leaders of the twentieth century, *Creativity: Unleashing the Forces Within* will inspire you to nurture your inner ideas and innovations—and apply them in every aspect of your life. As Osho points out in this book's foreword, historically, the creative person has been all but forced to rebel against the society. But nowadays, the situation has dramatically changed. In today's world, the ability to respond creatively to new challenges is demanded of everybody, from corporate CEOs to "soccer moms." Those whose toolbox for dealing with life includes only what they have learned in the past from their parents and their teachers are at a distinct disadvantage both in their relationships and in their careers. Making a switch from imitative and rule-bound behavior to creative innovation and flexibility requires a profound change in our attitudes about ourselves and our capabilities. *Creativity* is a handbook for those who understand the need to bring more creativity, playfulness, and flexibility to their lives. It's a manual for thinking "outside the box"—and learning to live there as well. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the "1000 Makers of the 20th Century" and by *Sunday Mid-Day* (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.
