## Twisted

His past tore them apart. Her lies thrust them back together. Now a killer's out for revenge, but the biggest threat for both may just be the heat they thought they'd already lost. Antiquities dealer Peter Kauffman walked a fine line between clean and corrupt for years. And then he met the woman who changed his life--Egyptologist Katherine Meyer. Their love affair burned white-hot in Egypt, until the day Pete's lies and half-truths caught up with him. After that, their relationship imploded, Kat walked out, and before Pete could find her to make things right, he learned she'd died in a terrorist bombing in Cairo. Six years later, the woman Pete thought he'd lost for good is suddenly back. The lies this time aren't just his, though. The only way he and Kat will find the truth and evade a killer out for revenge is to work together--as long as they don't find themselves burned by the heat each thought was stolen long ago.

## Awakened

TITUS — To most his gift seems like a blessing, but for him it's a curse the other Eternal Guardians—those who protect the mortal realm—seek to exploit. One he would gladly trade for the chance to be free... Obsessed. Her touch is like a drug. From the moment he met her, Titus knew she was different. Even dangerous. Yet though his guardian brethren are convinced Natasa is working for the enemy, Titus can't stop thinking about her. Can't stop fantasizing about her. Can't stop craving the one thing he knows could lead to the downfall of his world. Possessed. Faced with stopping Natasa or joining in her quest, Titus falls to temptation and is thrust into a world of lust, deception, and deadly treachery. Her touch—only hers—frees him from his bonds, but desire may just condemn him. Because before the end he'll have to decide which is more important: duty and honor to those he took an oath to defend, or a woman who could very well be the biggest curse to them all.

Frankenstein; or, The Modern Prometheus is a novel written by Mary Shelley about a creature produced by an unorthodox scientific experiment. Shelley's name appears on the second edition, published in France in 1823. The original 1818 'Uncensored' Edition of Frankenstein as first published anonymously in 1818. This original version is much more true to the spirit of the author's original intentions than the heavily revised 1831 edition, edited by Shelley, in part, because of pressure to make the story more conservative. Many scholars prefer the 1818 text to the more common 1831 edition.
