Teacher Education: Concepts, Methodologies, Tools, and Applications

There's never been a better time to access God than in critical moments like this. This is the season when God is most active, will show you Who He is, and has answers for you. This is when you get to understand the difference between man's solutions and God's solutions. While we try to grapple with the situation at hand, I'd love to share a bit on something I think is very important for each person to consider, and that is Keeping the Yeast Out of the House.
