The Action Bible Christmas Story

The difficulty of interpreting the Bible is felt all over today. Is the Bible still authoritative for the faith and practice of the church? If so, in what way? What practices of reading offer the most appropriate approach to understanding Scripture? The church's lack of clarity about these issues has hindered its witness and mission, causing it to speak with an uncertain voice to the challenges of our time. This important book is for a twenty-first-century church that seems to have lost the art of reading the Bible attentively and imaginatively. The Art of Reading Scripture is written by a group of eminent scholars and teachers seeking to recover the church's rich

heritage of biblical interpretation in a dramatically changed cultural environment. Asking how best to read the Bible in a postmodern context, the contributors together affirm up front "Nine Theses" that provide substantial guidance for the church. The essays and sermons that follow both amplify and model the approach to Scripture outlined in the Nine Theses. Lucidly conceived, carefully written, and shimmering with fresh insights, *The Art of Reading Scripture* proposes a far-reaching revolution in how the Bible is taught in theological seminaries and calls pastors and teachers in the church to rethink their practices of using the Bible. The Preschooler's Bible

A Redemptive Theology of Art develops a biblical, systematic, and practical theology of aesthetics. It begins with the roots and ontology of aesthetics (vs. "art") and the architecture and narrative of affection and passion, their woes and their glory. Those who would search the Bible find little support for "art" as commonly conceived in the West. The language of aesthetics, applied to the maker's intentions, the qualities of the work, and the responses of the audience, better addresses the questions of beauty, and better suits the discussion of human actions, beliefs, and culture than the language of art does. The Bible yields more consistent and helpful answers to questions about the broader category of aesthetics than it does to questions about art; leading in turn to better questions and a more practical and theological appreciation of human affections, beauty, and delight, and the many paths by which people, including Christians, pursue them. Using the categories and definitions from Scripture, Covington gives hope and help not only for those who labor in the arts, but for everyone who cares about the passions that motivate us. We were made for God's delight, and, though sin and bondage plague our passions, God can shape our fun, feelings, desires, affections and aversions. Feelings are neither objective nor subjective; they are redeemable. Borrowing key ideas from other Christian writers on the arts or aesthetics, Covington explores the connection between orthodox Protestant theology

and a responsible, respectful treatment of arts, artists, and all aesthetic fields of human work and speech.

“I will put enmity between you and the woman, and between your offspring and her offspring; he shall bruise your head, and you shall bruise his heel.”

—Genesis 3:15 We’ve all heard this story: the hero fights a dragon in an epic battle, and just as it appears the dragon is going to prevail, the hero saves the day. Best-selling novels and blockbuster movies are filled with this type of story, but did you know that this is the main theme of the Bible too? Tracing the theme of serpents and dragons through both Testaments, trusted scholar Andrew David Naselli demonstrates that these stories reflect our desire to know the ultimate story—the struggle between God’s offspring and the offspring of the serpent. As we come to experience this captivating, unifying narrative, we will rejoice in the ultimate victory of Jesus—the serpent slayer—over the devouring dragon in Revelation.

Good and Evil

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

redemption plan told chronologically from Genesis to Revelation. The 324-page book written by Michael Pearl and illustrated by Danny Bulanadi, former of Marvel Comics (Incredible Hulk), resembles an oversized comic book. Good and Evil begins where God began, in the book of Genesis, with the Creator, the fall of man, the law, blood sacrifice, and the prophecies of the coming Redeemer, thus preparing the people to fully understand the gospel of Christ. Good and Evil captivates those who would not normally pick up a Bible. In addition to the color art, each page footnotes Scriptural passages for further Bible study. Young and old, teens, prisoners, military personnel, and Christian workers have testified to the incredible impact Good and Evil has made on their understanding of the Bible.
