The middle of the 20th century was marked by a significant and persistent increase in fertility rates in many countries of the world, especially in the West, helping create the baby boomer generation. Although the baby boom is traditionally considered to be the post-war phenomenon started immediately after World War II, some demographers place it earlier, at the increase of births during the

The Boss Baby is a hilariously universal story about how a new baby's arrival impacts a family, told from the point of view of a delightfully unreliable narrator, a very imaginative 7-year-old named Tim. With a sly, heart-filled message about the importance of family, The Boss Baby is an original, broadly appealing comedy for all ages.
