The World According to Cycles

Identifying the Mayan World Tree with the central axis of the cosmos, the author shows how evolution is not random • Shows how the evolution of the universe emanates from the cosmic Tree of Life • Explains the origin and evolution of biological life and consciousness and how this is directed Using recent

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

findings within cosmology, coupled with his broad understanding of the Mayan Calendar, biologist Carl Johan Calleman offers a revolutionary and fully developed alternative to Darwin's theory of biological evolution--and the theory of randomness that holds sway over modern science. He shows how the recently discovered central axis of the universe correlates with the Tree of Life of the ancients. This provides an entirely new context for physics in general and especially for the origin and evolution of life and suggests that we look upon ourselves as parts of a hierarchy of systems that are all interrelated and evolve in a synchronized way. Calleman's research demonstrates that life did not just accidentally "pop up" on our planet, but that Earth was a place specifically tagged for this. He demonstrates how the Mayan Calendar describes different quantum states of the Tree of Life and presents a new explanation for the origin and evolution of consciousness. Calleman uses his scientific background in biology and cosmology to show that the idea of the Purposeful Universe is real. He explains not only how DNA but also entire organisms have emerged in the image of the Tree of Life, a theory that has wide-ranging consequences not only for medicine but also for the origin of sacred geometry and the human soul. With this new theory of biological evolution the divide between science and religion disappears.

Surfers of the Zuvuya

2012: Biography of a Time Traveler is the authorized biography of Jos Arguelles, the man who first

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

introduced the date December 21, 2012, into mass consciousness with *The Mayan Factor*. The initiator of the Harmonic Convergence global peace meditation of 1987, Arguelles is also the founder of the annual Whole Earth Festival (1970) in California, and one of the originators of the Earth Day concept.

Legend of the Rainbow Warriors

Visionary historian Arguelles unravels the harmonic code of the ancient Maya providing valuable keys to understanding the next twenty years of human evolution.

Stones of the Seven Rays

21 December 2012 was believed to mark the end of the thirteenth B'ak'tun cycle in the Long Count of the Mayan calendar. Many people believed this date to mark the end of the world or, at the very least, a shift to a new form of global consciousness. Examining how much of the phenomenon is based on the historical record and how much is contemporary fiction, the book explores the landscape of the modern apocalyptic imagination, the economics of the spiritual marketplace, the commodification of countercultural values, and the cult of celebrity.

Cleansing Rites of Curanderismo

Who speaks for science in a technologically dominated society? In his latest work of cultural criticism Andrew Ross contends that this question

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

yields no simple or easy answer. In our present technoculture a wide variety of people, both inside and outside the scientific community, have become increasingly vocal in exercising their right to speak about, on behalf of, and often against, science and technology. Arguing that science can only ever be understood as a social artifact, *Strange Weather* is a manifesto which calls on cultural critics to abandon their technophobia and contribute to the debates which shape our future. Each chapter focuses on an idea, a practice or community that has established an influential presence in our culture: New Age, computer hacking, cyberpunk, futurology, and global warming. In a book brimming over with intelligence—both human and electronic—Ross examines the state of scientific countercultures in an age when the development of advanced information technologies coexists uneasily with ecological warnings about the perils of unchecked growth. Intended as a contribution to a "green" cultural criticism, *Strange Weather* is a provocative investigation of the ways in which science is shaping the popular imagination of today, and delimiting the possibilities of tomorrow.

Adventures of a Western Mystic

New Age culture is generally regarded as a modern manifestation of Western millenarianism - a concept built around the expectation of an imminent historical crisis followed by the inauguration of a golden age which occupies a key place in the history of Western ideas. The New Age in the Modern West argues that

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

New Age culture is part of a family of ideas, including utopianism, which construct alternative futures and drive revolutionary change. Nicholas Campion traces New Age ideas back to ancient cosmology, and questions the concepts of the Enlightenment and the theory of progress. He considers the contributions of the key figures of the 18th century, the legacy of the astronomer Isaac Newton and the Swedish visionary Emanuel Swedenborg, as well as the theosophist, H.P. Blavatsky, the psychologist, C.G. Jung, and the writer and artist, Jose Arguelles. He also pays particular attention to the beat writers of the 1950s, the counterculture of the 1960s, concepts of the Aquarian Age and prophecies of the end of the Maya Calendar in 2012. Lastly he examines neoconservatism as both a reaction against the 1960s and as a utopian phenomenon. *The New Age in the Modern West* is an important book for anyone interested in countercultural and revolutionary ideas in the modern West.

The Pleiadian Agenda

Reveals the intimate relationship of the tarot to the esoteric teachings of the Torah and Kabbalah, and provides kabbalistic interpretations for all seventy-eight tarot cards along with a detailed kabbalistic reading and interpretation of the Tree of Life spread. Original.

Sojourns of the Soul

Earth Ascending

The magical and spiritual uses of the seven sacred gemstones--diamond, sapphire, emerald, jasper, topaz, ruby, and amethyst • Explores each sacred gem's effects on the seven facets of the soul and their corresponding virtues • Reveals their spiritual and therapeutic uses, the meaning of their colors, their ties to the chakras, and their historical use in amulets, talismans, and other magical tools • Outlines the basics of Seven Ray Science and the properties of each of the Seven Rays Taught solely in secret for millennia, the Science of the Seven Rays was introduced outside of the ancient mystery schools of Western and Hindu tradition by some of the great occultists of the late 19th and early 20th century: H. P. Blavatsky, Manly Hall, C. W. Leadbeater, and Alice Bailey. Based on the soul's seven-faceted nature, the Seven Ray system underlies metaphysical traditions around the world through its connections with the seven musical notes in the scale, the seven days in the week, the seven chakras, the seven colors of the rainbow, and the seven sacred planets. Laying out the key principles behind this spiritual science, Michel Coquet explores the seven sacred gemstones of the Seven Rays--diamond, sapphire, emerald, jasper, topaz, ruby, and amethyst--and shows that not all precious stones have true mystical powers: they must be charged, either naturally or through ritual, with a living deva or angelic presence before they can effect spiritual transformation and physical, mental, and soul healing. Drawing on Hindu, Jewish, pre-Columbian, and Greco-Roman magical traditions with

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

precious stones as well as their use by great initiates of history--including Hildegard von Bingen, Paracelsus, Cornelius Agrippa, Elias Ashmole, Nicholas Flamel, and the Count de Saint Germain--Coquet examines each sacred gem's effects on the seven facets of the soul as well as their spiritual and therapeutic uses, the meaning of their colors, their influences on the chakras, and their use in amulets, talismans, and other magical tools. Illuminating techniques of invoking spirits into gemstones and reports of the power to enlarge diamonds at will, stones that produce anesthesia, and the use of gem medicines in India, Coquet reveals that while gems can influence our physical, mental, and spiritual well-being, without daily work toward a gem's corresponding virtue, even a consecrated stone will have no effect, for the most beautiful gems are within.

The Mystery of 2012

" Explaining how we can use the era of 2012 as a unique opportunity for growth, Sitler proposes that following the Mayan way has "the potential to ground our lives more harmoniously in nature's infinitely complex ways, to broaden our perspectives on human existence, and to connect us more substantively with our innate capacity for compassion." "--Back cover.

Hunab Ku: a system of natural healing

In 1987, medical transcriptionist Patricia Pereira suddenly started receiving telepathic communications

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

from the star Arcturus and was requested to begin a series of galactically inspired manuscripts. The mission of this series of books is to awaken us to our individual and collective spiritual obligation for the health and well-being of our planet and all creatures who live upon her. Philosophical in cope, the essays in these books provide pragmatic, practical suggestions for emotional, mental physical, and spiritual transformation. They remind us of our familial relationships to beings of light who inhabit the great star nations. This book, the first in a series of four, provides practical suggestion to help us shift our emotional, physical, and spiritual states so that we can prepare to take our future place in the Universal Community.

Pyramid of Fire: The Lost Aztec Codex

Arcturus is the name given to the star system some thirty-seven light-years from our own. It includes at least a half dozen planetary bodies and is many times larger and much older than our own star and its system. Arcturian involvement with our system began over three million years ago when a space colony—a galactic space station—was established on Velatropa 24.4, otherwise known as Mars. With its 40,000-year warm cycles, Mars provided the perfect experimental way station. If anything went wrong, at least those on the Arcturus system would not be affected—or so it was thought. Some of those in command of the Martian project had not considered carefully enough the inexorable efficacy of karma, the law of cause and effect. By the time strange events

began to transpire on Mars, little did anyone on Mars or Arcturus reckon the strange consequences of forgetting about each other's mutual existence. Thus unfolds the tale of the Arcturian experimental way station, V.24.4, otherwise known as Mars.

The Arcturus Probe

We all know the name Nostradamus, but who was he really? Why did his predictions become so influential in Renaissance Europe and then keep resurfacing for nearly five centuries? And what does Nostradamus's endurance in the West say about us and our own world? In *Nostradamus: How an Obscure Renaissance Astrologer Became the Modern Prophet of Doom*, historian Stéphane Gerson takes readers on a journey back in time to explore the life and afterlife of Michel de Nostredame, the astrologer whose Prophecies have been interpreted, adopted by successive media, and eventually transformed into the Gospel of Doom for the modern age. Whenever we seem to enter a new era, whenever the premises of our worldview are questioned or imperiled, Nostradamus offers certainty and solace. In 1666, guests at posh English dinner parties discussed his quatrain about the Great Fire of London. In 1942, the Jewish writer Irène Némirovsky latched her hopes for survival to Nostradamus' prediction that the war would soon end. And on September 12, 2001, teenagers proclaimed on the streets of Brooklyn that "this guy, Nostradamus" had seen the 9/11 attacks coming. Through prodigious research in European and American archives, Gerson shows that Nostradamus — a creature of the modern

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

West rather than a vestige from some antediluvian era — tells us more about our past and our present than about our future. In chronicling the life of this mystifying figure and the lasting fascination with his predictions, Gerson's book becomes a historical biography of a belief: the faith that we can know tomorrow and master our anxieties through the powers of an extraordinary but ever more elusive seer.

Planetary Mysteries

Are we coming to the end of a cosmic cycle? Will there be an age of awakening, or even an end to the world we know? For the first time, the leading authorities on the 2012 phenomenon are all given voice in a single book: *The Mystery of 2012*. From the prophecies of the Mayan astronomers to modern predictions about social, ecological, and spiritual changes to our world, this comprehensive anthology offers you a chance to examine the mystery from every angle—and to decide for yourself whether 2012 will end with a whimper or a bang. Whether you're a skeptic, a true believer, or simply "2012 curious," here is a thought-provoking exploration of this approaching landmark in human history. The book includes essay by the following list of scholars, scientists, philosophers, and cutting-edge thinkers: Arjuna Ardagh José Argüelles, PhD Gregg Braden Carl Johan Calleman, PhD Gill Edwards Jean Houston, PhD Barbara Marx Hubbard Janosh John Major Jenkins Lawrence E. Joseph John Lamb Lash Ervin Laszlo Llewellyn Vaughan-Lee, PhD Meg Blackburn Losey,

How to Practice Mayan Astrology

An engaging study that reveals sacred teachings that the Mayan priesthood hid from Spanish conquistadores in Mexico in 1519. The author explores the scientific and spiritual principles underlying the ancient glyphs, numbers, and language of the Maya.

Total Reflexology

2012

A tutorial on the ancient practice of limpieas to heal the mind, body, and soul • Offers step-by-step instructions for the practice of limpieas, shamanic cleansing rituals to heal, purify, and revitalize people as well as physical spaces • Examines different types of limpia ceremonies, such as fire rites for transformation, water rites for cleansing and influencing, and sweeping rites for divination • Explores the sacred stories behind limpia rituals and traces these curanderismo practices to their indigenous roots Exploring the essential tools and practices of Mesoamerican shamans and curanderos, specifically the ancient Yukatek Maya and Mexica (Aztec), Erika Buenaflor, M.A., J.D., provides a step-by-

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

step guide for conducting the most common practice within curanderismo: limpieas. These practical and incredibly effective shamanic cleanses heal, purify, and revitalize people and spaces with herbs, flowers, eggs, feathers, fire, and water. They are also powerful tools for self-empowerment, spiritual growth, soul retrieval, rebirth, and gracefully opening up pathways for new beginnings. Drawing on her 20 years' experience as a curandera and her graduate studies focused on Mesoamerican shamanism, the author traces modern curanderismo practices to their indigenous roots. She explores the sacred stories behind limpia rituals and examines different types of limpia ceremonies in depth, such as fire rites for transformation, water rites for cleansing and influencing, and sweeping rites for divination. She outlines how limpieas work holistically to enable one to let go and cleanse the body, mind, and spirit of limiting beliefs, traumas, and broken stories; heal acute and chronic illnesses such as depression, insomnia, and anxiety; and revitalize and activate sacred spaces by renewing their essence and clearing negative energies. She explains the healing properties of the plants used in limpia rites and how to perform the medicinal chants used by the curanderos. In addition, the author details how the practice of platicas, heart-straightening talks, supports limpia rites by encouraging one to vocalize their needs as they eject traumas and unwanted energies from the body, setting the stage for self-awareness and healing. Sharing the story of her own complete healing from a catastrophic injury with limpieas as well as inspirational testimonies from others who have experienced limpieas, the author

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

provides a personal and thoroughly practical guide to the ancient shamanic method of limpieas to promote healing and personal transformation in our times.

The New Age in the Modern West

Join José Argüelles and his higher self--his "dimensional double," Uncle Joe Zuvuya--on a journey from the center of the earth to the outermost reaches of the galaxy! Uncle Joe instructs Argüelles in Mayan etheric engineering, Arcturian space stations, Atlantean family histories, and much more.

Chronicles of a Catholic Housewife

Illuminates the cyclical nature of the world and how it can be examined for a better understanding of modern times, sharing accessible explanations of how patterns and recurring forces have enabled the predictions of major events and may offer a more intuitive manageability of interpersonal relationships, business prospects, and more.

Songs Of Malantor

In 1987, medical transcriptionist Patricia Pereira suddenly started receiving telepathic communications from the star Arcturus and was requested to begin a series of galactically inspired manuscripts. The mission of this series of books is to awaken us to our individual and collective spiritual obligation for the health and well-being of our planet and all creatures who live upon her. Philosophical in cope, the essays in

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

these books provide pragmatic, practical suggestions for emotional, mental physical, and spiritual transformation. They remind us of our familial relationships to beings of light who inhabit the great star nations. Songs of Malantor offers cosmic information of expanded complexity to assist humans in the times of change and to prepare them for citizenship in the greater galactic community. Malantor is best describes as a fifth- and sixth-dimensional being of light from Arcturus, the primary star of the Boötes system. Malantor is a creator of melodious lyrics, an Arcturian poet and intergalactic counselor-teacher who volunteered for Earth assignment. He resides on board the Intergalactic Brotherhood's principal mother ship, Marigold—City of Lights.

Ancient Future

The first complete book of reflexology to incorporate acupuncture, naturopathy, homeopathy, and the chakra system • Remaps the entire foot to fine-tune the pressure points • Explains how to work with the emotional reactions that may be released when physical conditions are treated • Full-color detailed diagrams provide precise illustrations of pressure points In this groundbreaking work, Dr. Martine Faure-Alderson takes reflexology to a new level by integrating acupuncture, naturopathy, homeopathy, and other holistic healing modalities into the practice. From her background as a physician, she brings a scientific precision to using the foot as a map of the body and all of its systems. She then uses her training

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

in alternative therapies to integrate the mental and psychological issues that may accompany physical conditions, providing the first complete holistic approach to using reflexology for physical, emotional, and mental health. Total Reflexology presents each of the major body systems in turn--from the digestive system to the human energetic system--using 25 full-color newly mapped foot diagrams that provide precise indications of pressure points and their correspondences to all areas of the body. The author also includes her latest work using craniosacral therapy and the role of the cerebrospinal fluid in reflexology as well as how to integrate use of the chakra system. She shows how finely tuned reflexology stimulates the body's self-healing abilities, making this an indispensable resource for the layman and professional alike.

2012

""Reveals the 'sacred order of the cosmos' through fifty detailed maps within a five-part structure called the holonomic equation. According to holonomy--the law governing whole systems--and its ancient precursor, Chinese geomancy, human consciousness and intuition play a formative role in the structure and evolution of the universe. Through Argüelles' maps we see how nature presents itself, how man learns from and transforms nature, how nature evaluates man's transformation, and finally, how man and nature synthesize"--Back cover.

The Mayan Factor

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

Legend of the Rainbow Warriors is a journalist's account of one of the core myths of America, and an electrifying exploration of how that myth is playing out in real time. One dominant myth is formed by advertising images of vast, luxurious wealth-the myth of materialism. Another myth is conjured in the bloody, sorrowful images that pervade movies, music and computer games-the myth that the world is hate-filled and chaotic beyond redemption. The Legend of the Rainbow Warriors offers a spiritual alternative of hope and real possibility based upon respect, freedom and responsibility. As drawn from dozens of historical accounts, the Legend of the Rainbow Warriors relates that "when the Earth becomes desperately sick, people of all colors and faiths will unite, and rise to face the overwhelming challenges with insight, honesty, caring, sharing, and respect." Veteran writer Steven McFadden weaves the myths and the headlines together seamlessly in a rich work of literary journalism that is adroitly crafted, eye-opening, and soul-inspiring.

The Bloomsbury Review

The first translation of a previously unknown Aztec codex and its initiatory teachings for 2012 • Discloses the potential for great spiritual awakening offered at the end of the Aztec calendar cycle • Presents the only existing English-language transcription of the Aztec codex, with line-by-line commentary • Contains the epic poetry and metaphysical insights of Beat poet Marty Matz (1934–2001 In 1961 an unknown Aztec codex was revealed to Beat poet and explorer

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

Marty Matz by a Mazatec shaman in the mountains of Oaxaca, Mexico. Originally intended for dramatic performance, this codex presents a profound metaphysical teaching describing how the end of time will bring about a visionary ascent. At the behest of his Mazatec teacher, Matz transcribed this pictorial codex into a literary form that would preserve its initiatory teachings and reveal its secret meanings to a wider audience. Pyramid of Fire is an epic poem that provides a vehicle to transport the initiate into the higher realms of consciousness. It represents a barely surviving thread of teachings that have been passed down in secret since the time of the Spanish Conquest. Revealed are the techniques by which man is transported to the stellar realm after death via the solar energy within what the ancients called the "serpent of consciousness." Line-by-line commentary by Matz and John Major Jenkins provides insights into the perennial philosophy contained in the codex and its relevance to our times.

Arcturian Songs Of The Masters Of Light

Ancient Future celebrates the wisdom of those ancient civilizations that did not disassociate the philosophical, spiritual, and material realms of life. This book is an attempt to re-create this holistic experience in hopes that a synthesized view of life will become reality in the 21st century.

Strange Weather

This is the true story of encounters with enlightened

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

beings known in the East as Bodhisattvas, who have attained the Rainbow Body, yet who can and do appear in whatever form they are needed to assist humanity. These are the Gods of ancient myth, known in the West as Ascended Masters. Here are the adventures of one individual as the Masters bring him face to face with his own Higher Self-the I AM Presence.

Kabbalistic Tarot

Sojourns of the Soul differs from other inspirational travel books by providing a rare mix of in-depth wisdom and literary insights from the holistic view of one experienced female traveler. Dana Micucci gives a compelling account of her growing spiritual illumination through visits to some of the most sacred places on earth. Her lively, engaging narrative takes us to seven sites in all: the Australian outback, Angkor in Cambodia, the Valley of the Kings in Egypt, Lhasa in Tibet, Chichen Itza in the Yucatan; the Monastery of Christ in the Desert in New Mexico, and Machu Picchu in Peru. Micucci links each visit with the awakening of a particular chakra- the chakras being the seven energy centers of the body associated in Hinduism with progressive enlightenment. In the afterword, she reflects on how her experiences continue to shape her life after resuming her career as a journalist in New York City: she finds she is more tolerant, can engage in daily activities with more heart-centered awareness, and can sustain states of joy and gratitude for longer periods of time. The book will be a page turner for readers who yearn for long-delayed

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

adventure, with the added benefit that it is not just a journey log but more of a seeker's manual; travel is simply the vehicle. Readers will find that they don't have to travel to far-flung places for the spiritual inspiration available in their everyday lives. As Micucci says, "Each day brings new remembrances of our divinity, of the Divine presence in all beings, and of our eternal connection to each other. I am so grateful to be here NOW . . . with you."

The Purposeful Universe

2013!

Planetary Mysteries is a compilation of essays, fiction and non-fiction, meant to explore megaliths, glaciers, the face on Mars, and Aboriginal dreamtime, among other things. Contributors include: Richard Hoagland, Jeff Greenwald, Richard Grossinger, Normandi Ellis, John Brandi, Rob Brezny (the author of Pronoia), Gary David, and Richard Silberg.

Mayan Calendar Astrology

Based in San Francisco, this memoir traces a forty-year marriage through the sexual revolution in the 1970s and the materialism of the 1980s. The author keeps hope alive in spite of personal tragedy occurring in 1993. Carmen Hartono discusses the global, religious, and political thinking of the new millennium. A Roman Catholic from El Salvador, her husband is from Indonesia and holds Muslim values.

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

God's plan further unfolds when their daughter moves to New York and marries a Jewish man. The author comes to realize that there is something or someone greater in life that transcends everyday existence. And though her life's journey takes her to a world beyond her wildest dreams, she must also learn to accept devastating grief, Hartono sees an existence beyond the physical and material world. She repeatedly asks, "Is this a coincidence or another God-incidence?" She concludes that eternal life is love everlasting. The author wrote *Chronicles of a Catholic Housewife: Forty Years Toward the Promised Land* as an effort to clear misunderstandings about the Catholic Church, Latin America, and the definition of marriage. About the Author *Traveling between El Salvador in Central America and San Francisco in California*, first-time author Carmen Hartono grew up bilingual and bicultural. "I stayed in the San Francisco Bay Area for my adult life. Now I am living the life of an expatriate. We lived in Singapore for three years, and we are now in Houston, Texas." She says her home country of "El Salvador is considered to be a birthplace of Liberation Theology. Pope Francis is making the news for his 'liberal' point of view. But his thinking is nothing new in the Church of Latin America." Publisher's website: <http://sbprabooks.com/CarmenHartono>

Beyond the End of the World - 2012 and apocalypse

Nostradamus

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

"Mayan Calendar Astrology: Mapping Your Inner Cosmos" is the quintessential handbook to help you understand the art of Mayan astrology and how to harness it for a profound illumination of your personal lifepath. If you liked "Jaguar Wisdom," this book will take you even deeper into the powerful insights that Mayan astrology can offer, whether you're a seasoned expert or just a beginner. Included in the book are: - Complete information about the day signs and numbers - The importance of the Year Lord - The Mayan Destiny chart (also known as the Mayan Cross) - The complete nine-sign horoscope - Solar and lunar cycles - A unique method for determining the phases of human life - The personal compatibility matrices embedded within the Tzolk'in - A little-known technique for assessing human relationships by combining two horoscopes into a composite chart - Calendar diagrams and horoscope templates - A powerful and meditative technique called the "Path of Feathered Serpent," based on our own "personal lunar month" and designed, through a series of guided meditations, to awaken the koyopa or inner lightning we all possess. REVIEWS: "I am profoundly grateful to Kenneth Johnson for sharing his experientially based understanding of the Tzolk'in in this remarkable book. As a long-time lover of the Mayan world, 'Mayan Calendar Astrology' finally opened my eyes to the subtle workings of the 260-day calendar and led me to embrace it as a genuine path to self-understanding. The author's work is based upon his years of work with several aj q'ijab' in the Guatemalan highlands, primarily in Momostenango, the important center for contemporary Mayan calendar knowledge.

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

Johnson's explanations of the significance of the 13 numbers, the Mayan Destiny chart, the Year Lords, and the Path of Feathered Serpent are unique in popular literature and will enrich the understanding of even dedicated scholars." - Robert Sitler, PhD, Director, Latin American Studies, Stetson University

Mandala

In this award-winning, lighthearted drama, Archangel Michael, the celestial defender of humanity, finds his job on the line. The High Council in Heaven is about to strip him of his wings because things on Earth are going to hell. Michael is about to lose his position to Semyaza, the evil Lord of Darkness and leader of the fallen angels. Nicole, an innocent, yet bumbling untrained angel volunteers to be a flight attendant to help Michael in his final campaign. She quickly learns what makes Michael's airline unique is a seat assignment system specifically designed to allow passengers the opportunity to balance their heavy karmic and emotional baggage with their assigned seatmate--not only from this lifetime, but from past and future lives as well. With the right person sitting on the right flight in the right seat, the traveling public is unaware that they are being served by angels and being given the opportunity to learn their soul's most important lessons before they reach their destination. Caught in the vicious clash of the Dark against the Light, Nicole loses her own battle when she succumbs to the worldly temptations offered by Semyaza. In this harrowing race against time, Michael is now forced to choose between saving humanity or

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

saving Nicole, the young, vulnerable angel who he secretly desires. With Semyaza's plans running on time and on course, who does Michael chose? And who saves him from his own pending demise? Find out in *Flying Between Heaven and Earth!*

It takes us from the pits of addiction and despair to the heights of heaven, and it does this all with a j

Frauds, Myths, and Mysteries

A contemporary and practical guide to Mayan astrological techniques • Discusses the logic and meaning of the 20 day-signs of the Mayan calendar • Explains the many cycles of Mayan astrology, such as the 9-day cycle of the Night Lords and the 13-day trecena • Contains extensive tables of Mayan

Online Library The Mayan Factor Path Beyond Technology Jose Arguelles

astrological data, allowing readers to cast their own Mayan horoscopes How to Practice Mayan Astrology presents a contemporary guide to one of the most sophisticated astrological systems ever developed. Like other ancient peoples, the Maya looked to the cycles of the planets as markers of time and designators of order. The predictable cycles they observed became codified in the Mayan calendar and astrological system as a way of organizing the seeming chaos of human life. Mayan astrology is based on 20 named days that are cycled 13 times to create a 260-day calendar, the Tzolkin. The authors explain the symbolism, logic, and meaning of the 20 day-signs; how these signs reflect 260 possible personality types; and how they can be used for divination. They also explain the important role of the Four Directions and the planet Venus in one's personality matrix and life issues. Included are extensive, easy-to-use tables of Mayan astrological data, allowing readers to determine their day-signs, to see how these signs are also influenced by the cycle of the Night Lords and the 13-day trecena, and to cast their own horoscopes.

Songs Of The Arcturians

Noted astrologer and spiritual teacher Barbara Hand Clow channels the voice of Satya, a Pleiadian goddess. Satya describes the huge cosmic drama taking place simultaneously in nine dimensions, with Earth as the chosen theater. The Pleiadians are a group of enlightened beings who believe that the end of the Mayan Calendar will signal a critical leap in

human evolution; the Pleiadians will be there to guide us for that leap. This shift is the coming Age of Light, and the entry of our solar system into the Photon Band and the Age of Aquarius.

The Transformative Vision

Every once in while, a work comes along that breaks through convention and fuses worlds and cultures. The Serpent and the Jaguar is one such work: it transcends the conventional interpretations of the Mayan Tzolk'in calendar and fuses the worlds of traditional Mayan cosmovision, scholarly research, and modern-day needs and concerns. The result is a book that enables virtually anyone anywhere in the world living in industrialized society to apply the Tzolk'in to their lives on a daily basis. For the first time, The Serpent and the Jaguar brings you the Tzolk'in and all of its 260 days interpreted in the context of modern life and modern challenges. The book is the cornerstone in a suite of related tools that include mobile applications, webinars and a strong social media platform designed to help you redefine your relationship with sacred, cyclical time in the face of our demanding, stressful schedules that force us to operate on linear time. Included in the book are:

- The full set of the 260 Energies of the Day of the Tzolk'in calendar.
- Detailed descriptions of the 20 trecenas and their ruling day signs.
- Detailed descriptions of the 13 numbers.
- Introductory sections on the Mayan Calendar, the day signs, trecenas, and the numbers.
- A guide to living with sacred time
- Mayan Calendar tables to calculate

dates manually or offline. • Original day sign illustrations by New Zealand painter and artist Maree Gifkins (along with the traditional Maya day sign and number glyphs).

The Living Maya

The ancient rock art on the cover decorates the walks of Indian Creek Canyon in Newspaper Rock State Park, Utah, near Canyonlands National Park. What could its symbols and horned figures represent? Are they a Native American observer's depiction of space-suited extraterrestrials who once explored the American continent? Or do the images reflect the human imagination, blending human and animal elements into new mythical beings? Ken Feder addresses questions such as these in this entertaining and informative exploration of fascinating frauds and genuine mysteries. Through well-chosen examples, he demonstrates what is - and what is not - the scientific method; in the process, he clearly conveys why the veritable past is as exciting and intriguing as the fantasies concocted by the purveyors of pseudoscience. New to this Edition: 25% more illustrations, including side by side photographic comparisons in Chapter 6, 8, and 9; additional topics, including tabloid anthropology, the deconstructionist challenge to science, tracing the source of skeletal populations through mitochondrial DNA analysis, the so-called Mars face, the New Age use of Native American beliefs and Native Americans' reactions, the Ice Man, Chauvet Cave and our understanding of cave painting, and more.

Flying Between Heaven and Earth

This book cuts through rampant misinformation circulating about 2012 to present a coherent understanding of the Mayan calendar and the significance of the date. As an anthropologist and journalist, Will Black has conducted research into 2012 millenarianism for several years. He consequently offers a much broader and clearer picture than other books on the subject. In their haste to jump onto the 2012 bandwagon, most authors seem to have forgotten that the Maya are a real people, often living in as violently precarious circumstances as their ancestors. Will Black demolishes fantasies about crumbling calendar stones before examining the brutal cocaine wars blighting Central America. The hedonistic world of many westerners who have become interested in 2012 is contrasted sharply with the lives of ancient and modern Maya. The extraordinary world of shamans is contrasted with that of New Age seekers. Information about key visionary substances is offered.

The Serpent and the Jaguar

In 1987, medical transcriptionist Patricia Pereira suddenly started receiving telepathic communications from the star Arcturus and was requested to begin a series of galactically inspired manuscripts, Arcturian Songs of the Masters of Light is the fourth volume in the series. The mission of this series of books is to awaken us to our individual and collective spiritual obligation for the health and well being of our planet

and all creatures who live upon her. Philosophical in cope, the essays in these books provide pragmatic, practical suggestions for emotional, mental physical, and spiritual transformation. They remind us of our familial relationships to beings of light who inhabit the great star nations. Arcturian Songs of the Masters of Light moves beyond solely Arcturian energies to incorporate high-level representatives of the brotherhoods of light, including Christ Essence and Sanat Kumara of the Order of Melchizedek.

Secrets of Mayan Science/Religion

This anthology offers wide-ranging views by various global experts about the end of the Mayan calendar in 2012, as well as related prophecies and associated physical changes of Earth's structure. The purpose of this collection is to broaden your perspective about such issues and concerns, so you can discern for yourself what your commitment to planetary life will be-and then to demonstrate your commitment into being, beginning this very instant.
