### **Rules Of Engagement**

We have been operating in the dark. We do not know the spiritual laws of the universe, but these laws are ever-present and inviolable. Or, that is to say, if we violate them, things do not work as they should. And yet, because we do not know these laws, we are constantly offending them. That's why our lives are in such a tangle!In *Winning Again: Rules of Engagement for Spiritual War*, the Lord begins to reveal the laws of the universe. There are probably thousands of laws, but this book discloses the first 101 He wants us to know. It is time for the church to win again. The time of the end is near enough that the Lord is explaining things He has long kept secret. These laws are a part of that disclosure. Look for many more in the future!We know who wins. And if we are with Him, we, too, will win again!

### **The 48 Laws of Power**

Evidence that evil is flourishing faces Christians every day, leaving many feeling hopeless and helpless. What they don't realize, says esteemed pastor Jack Hayford, is the power that is theirs through the cross. Instead, they labor under the misconception that spiritual warfare occurred only during biblical times. But it is right here, right now, says Pastor Jack. And for the first time he lays out the strategies he's learned for engaging and defeating evil--through prayer. With clarity and passion, he shows readers how to

- develop powerful devotional habits
- engage in intercession
- plead the blood of Christ
- understand the correct use of binding and loosing
- confront evil
- learn why some prayers don't succeed
- and much

### **Binding the Strongman**

Everyone wants to be financially successful, but great financial success often brings negative side effects in other areas. In this exciting book, Yehuda Berg shows why the true purpose of our lives is complete happiness and total fulfillment. Drawing on the lessons of years of study and teaching, True Prosperity shows how the teachings of Kabbalah, the world's oldest body of spiritual wisdom, can be used every day and every moment not only to achieve success in one aspect of life, but to avoid the setbacks in other areas that can render any accomplishment empty and meaningless.

### **The 40 Day Soul Fast**

For though we live in the world, we do not wage war as the world does. The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. 2Cor.10:3-4 Today, the church has neglected to teach about the spiritual realm, for fear of being judged archaic. It has denied a key Scriptural truth: that the whole world is under the control of Satan. The church has forgotten that angels were created to serve God's people. It has also rejected the authority Christians have as ambassadors of Christ. Finally, the church has sacrificed its power to impact the world in order to gain credibility with the world. People have chosen the religion of science. Consequently, if science and Scripture disagree, even people within the church believe science to be the truth. There are three main pillars in science: observable, repeatable, and irrefutable. Any scientific fact must fulfill these pillars to be presumed true. Since the spiritual realm is invisible and not observable, science deems that this realm does not exist. When the spiritual realm manifests itself in an event, science excuses the anomaly to be something they have yet to understand. The Scriptures teach that Christians have overcome sin, Satan, and the world. Through the Holy Spirit, we can discern both the spiritual realm's presence and its activities. We are not called to be demon-slayers, but we are called to engage the enemy in order to bring freedom and wholeness to people. The Bible teaches that a war exists between Satan's kingdom and God's kingdom. Every war has "Rules of Engagement." The purpose of this book is to identify the spiritual realm, recognize its methods of operation, and ultimately learn the rules that enable us to effectively engage our enemy Satan.

Songs of Power and Prayer explores the role of song as a transformative force in the twentieth century. It traces a cultural, spiritual, and musical encounter that upended notions of indigeneity and the rules of engagement for Indians and priests in the Columbia Plateau. Chad Hamill's narrative focuses on a Jesuit and his two Indian "grandfathers"—one a medicine man, the other a hymn singer—who together engaged in a collective search for the sacred. The priest became a student of the medicine man. The medicine man became a Catholic. The Indian hymn singer brought indigenous songs to the Catholic mass. Using song as a thread, these men weaved together two worlds previously at odds, realizing a promise born within prophecies two centuries earlier.

The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. “The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church’s journey in years to come.” – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of Catholicism: A Journey to the Heart of the Faith and James Martin, SJ, author of Jesus: A Pilgrimage From the Hardcover edition.

Elizabeth and Betsy had been school friends in 1950s London. Elizabeth, prudent and introspective, values social propriety. Betsy, raised by a spinster aunt, is open, trusting, and desperate for affection. After growing up and going their separate ways, the two women reconnect later in life. Elizabeth has married kind but tedious Digby, while Betsy is still searching for love and belonging. ## **The Essential Zohar**

From the bestselling author of *Less Than Zero* and *American Psycho*, *The Rules of Attraction* is a startlingly funny, kaleidoscopic novel about three students at a small, affluent liberal-arts college in New England with no plans for the future--or even the present--who become entangled in a curious romantic triangle. Bret Easton Ellis trains his incisive gaze on the kids at self-consciously bohemian Camden College and treats their sexual posturings and agonies with a mixture of acrid hilarity and compassion while exposing the moral vacuum at the center of their lives. Lauren changes boyfriends every time she changes majors and still pines for Victor who split for Europe months ago and she might or might not be writing an anonymous love letter to ambivalent, hard-drinking Sean, a hopeless romantic who only has eyes for Lauren, even if he ends up in bed with half the campus, and Paul, Lauren's ex, forthrightly bisexual and whose passion masks a shrewd pragmatism. They waste time getting wasted, race from Thirsty Thursday Happy Hours to Dressed To Get Screwed parties to drinks at The Edge of the World or The Graveyard. *The Rules of Attraction* is a poignant, hilarious take on the death of romance. The basis for the major motion picture starring James Van Der Beek, Shannyn Sossamon, Jessica Biel, and Kate Bosworth.

Real World Application of the Judeo-Christian faith for the Military, Intelligence, and Law Enforcement communities. Principles and guidelines for those serving in all nations and cultures. Then comes the day you pull the trigger and send someone into eternity. You did what must be done. Some say it had to be done, but you still sinned. Others say it's all a sin and should not be done at all. But, where does that leave you? This book has the answers. Is "Thou shalt not kill" really that cut and dry? Are there Biblical precedents or provisions for Christians to do what is necessary in the line of duty without sinning? Is doing your duty, to God and Country, the dirty work, really a sin? No, it's just the opposite. What God authorizes and the support He provides will surprise, encourage, and empower you. Ministers of Vengeance Gives Biblical guidance during undercover ops: for lying, stealing, sabotage, and more. Looks at subjects like lethal force authority, and different religious views of warfare. The Twelve Steps of Alcoholics Anonymous is America's most significant and authentic contribution to the history of spirituality, says Richard Rohr. He makes a case that the Twelve Steps relate well to Christian teaching and can rescue people who are drowning in addiction and may not even realize it. To survive the tidal wave of compulsive behavior and addiction, Christians must learn to breathe under water and discover God's love and compassion. In this exploration of Twelve Step spirituality, Rohr identifies the Christian principles in the Twelve Steps, connecting The Big Book of Alcoholics Anonymous with the gospel. He draws on talks he has given for over twenty years to people in recovery and those who counsel and live with people with addictive behavior. Rohr offers encouragement for becoming interiorly alive and inspiration for making one's life manageable for dealing with the codependence and dysfunction (sin) rampant in our society.

### **Love Does**

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of The Laws of Human Nature. In the book that People magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

need to seek healing and deliverance as steps beyond salvation.
