Misery

Good Girls, Bad Girls of the New Testament takes readers on a powerful journey

through the vast landscape of Roman-occupied Judea during the first century and the genesis of Christianity. This landscape serves as the backdrop for twelve amazing stories of women whose paths intersect, either by providence or design, with the paths of Jesus or Paul. Some of these women are familiar, such as Mary, the mother of Jesus, while others, like the wife of the infamous Pontius Pilate, are lesser known. Whether she is popular or obscure, good or bad, each woman's story is an important part of the overall Christian narrative. Good Girls, Bad Girls of the New Testament invites readers to take a more nuanced look at twelve stories that feature women, to explore their lives more deeply in historical context, and to understand the real story that includes both men and women. The book goes beyond simply telling the story of a particular biblical woman to challenge readers to explore the enduring lessons the ancient writers sought to impart. These timeless lessons are as important for us today as they were thousands of years ago.

Love. Family. "Dear Tabitha" is the second book in the "Forever Family" series. "Dear Emily" is Book One.

Youth's Companion

Now a Netflix movie directed by Mike Flanagan (Oculus, Hush) and starring Carla Gugino and Bruce Greenwood. A game. A husband and wife game. Gerald's Game. But this time Jesse didn't want to play. Lying there, spreadeagled and handcuffed to the bedstead while he'd loomed and drooled over her, she felt angry and humiliated. So she'd kicked out hard. Aimed to hit him where it hurt. He wasn't meant to die, leaving Jesse alone and helpless in a lakeside holiday cabin. Miles from anywhere. No-one to hear her screams. Alone. Except for the voices in her head that had begun to chatter and argue and sneer . . .

This satisfying story explores the powerful impact of our actions on the world around us. When his father takes a new job in Massachusetts, Ben Moroney must leave behind his best friend Tony, a western banded gecko named Lenny, and worst of all, the Arizona desert home he has loved and explored. Ben's adjustment to his new environment is not going well until he unexpectedly finds a kindred spirit in his eccentric fifth-grade science teacher, Mrs Tibbets. She introduces him to the rare and elusive Eastern spadefoot toads that make their home on her rural property. When Ben discovers that Mrs. Tibbets's land may be sold to developers, he knows he has to do something. As Ben's obsession with saving the spadefoot toads' habitat grows, his schoolwork and his relationships with his family and new friends suffer. But just when it seems things can't get any worse, Ben finds a way to meet his responsibilities to the people around him and demonstrates the importance of even the smallest efforts to save the earth's rapidly disappearing habitats. With great environmental themes, this appealing middle grade novel comes from renowned storyteller and two-time Grammy Award winner Bill Harley.

Four novellas from Stephen King bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge--the basis for the Best Picture Academy Award-nominee The Shawshank Redemption. Next is "Apt Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In "The Body," four rambunctious young boys plunge through the facade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie Stand By Me. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method."--Provided by publisher.
