The Void (Lóresse Book 3)

Ryuu is a boy orphaned by violence at a young age. Found by a wandering warrior, he learns he may have more strength than he ever imagined possible. A quiet child, Moriko is forced into a monastic system she despises. Torn from her family and the forest she grew up in, she must fight to learn the skills she'll need to survive her tutelage under the realm's most dangerous assassin. Young, beautiful, and broke, Takako is sold to pay for her father's debts. Thrust into a world she doesn't understand and battles she didn't ask for, she must decide where her loyalties lie. When their lives crash together in a Kingdom on the brink of war, the decisions they make will change both their lives and their Kingdom forever. If they can stay alive.

Angel Fire East

Seventeen-year-old Duncan Greenfire is alive. Three hours ago, he was chained to the rocks and submerged as the incoming tide washed over his head. Now the waters are receding and Duncan's continued survival has completed his initiation as a Sea Wolf. It is the 167th year of the Dark Age. The Sea Wolves and their Eastron kin can break the glass and step into the void, slipping from the real world and reappearing wherever they wish. Wielding their power, they conquered the native Pure Ones and established their own Kingdom. The Sea Wolves glory in piracy and slaughter. Their rule is absolute, but young Duncan Greenfire and duellist Adeline Brand will discover a conspiracy to end their dominion, a conspiracy to shatter the glass that separates the worlds of Form and Void and unleash a primeval chaos across the world. 'Epic fantasy at its scary, fun, sarcastic, shock-laden best' THE BOOKBAG.

Salvation

NEW YORK TIMES BESTSELLER On the planet Tython, the ancient Je'daii order was founded. And at the feet of its wise Masters, Lanoree Brock learned the mysteries and methods of the Force—and found her calling as one of its most powerful disciples. But as strongly as the Force flowed within Lanoree and her parents, it remained absent in her brother, who grew to despise and shun the Je'daii, and whose training in its ancient ways ended in tragedy. Now, from her solitary life as a Ranger keeping order across the galaxy, Lanoree has been summoned by the Je'daii Council on a matter of utmost urgency. The leader of a fanatical cult, obsessed with traveling beyond the reaches of known space, is bent on opening a cosmic gateway using dreaded dark matter as the key—risking a cataclysmic reaction that will consume the entire star system. But more shocking to Lanoree than even the prospect of total galactic annihilation, is the decision of her Je'daii Masters to task her with the mission of preventing it. Until a staggering revelation makes clear why she was chosen: The brilliant, dangerous madman she must track down and stop at any cost is the brother whose death she has long grieved—and whose life she must now fear. NOTE: This version does not include the Dawn of the Jedi comic insert. Includes an original Dawn of the Jedi short story by John Ostrander! Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years! Praise for Into the Void “In a story filled with adventure, intrigue, and great quotes, there’s a lot to like in this book. Tim Lebbon dives into his very first Star Wars story with a great deal of success. He manages to spin a tale that feels like Star Wars, but also feels different from other stories that have been told before. While there is some threat of system wide destruction, the point is never pushed to being ridiculous. The characters feel believable and provoke interest. The attention to the characters never takes away from the plot. There’s also a remarkable balance between world building, plot and character development, and action. When it comes down to it, Dawn of the Jedi: Into the Void is just great storytelling.”—Roqoo Depot “A nice, compact Star Wars tale that both acts as an introduction to the Dawn of the Jedi period and a standalone story.”—Club Jade “A solidly enjoyable read . . . a nice addition to the Expanded Universe.”—Tosche Station “A good solid Star Wars adventure story with heart.”—Knights’ Archive

The Wind and the Void

Twenty years ago, Terry Brooks turned fantasy fiction on its head with *The Sword of Shannara*, the first fantasy novel to make the mainstream bestseller lists, and the first in an unbroken string of thirteen bestselling books. Now, in *Running with the Demon*, Brooks does nothing less than revitalize fantasy fiction again, inventing the complex and powerful new mythos of the Word and the Void, good versus evil still, but played out in the theater-in-the-round of the "real world" of our present. On the hottest Fourth of July weekend in decades, two men have come to Hopewell, Illinois, site of a lengthy, bitter steel strike. One is a demon, dark servant of the Void, who will use the anger and frustration of the community to attain a terrible

secret goal. The other is John Ross, a Knight of the Word, a man who, while he sleeps, lives in the hell the world will become if he fails to change its course on waking. Ross has been given the ability to see the future. But does he have the power to change it? At stake is the soul of a fourteen-year-old girl mysteriously linked to both men. And the lives of the people of Hopewell. And the future of the country. This Fourth of July, while friends and families picnic in Sinnissippi Park and fireworks explode in celebration of freedom and independence, the fate of Humanity will be decided . . . A novel that weaves together family drama, fading innocence, cataclysm, and enlightenment, *Running with the Demon* will forever change the way you think about the fantasy novel. As believable as it is imaginative, as wondrous as it is frightening, it is a rich, exquisitely-written tale to be savored long after the last page is turned. From the Hardcover edition.

The Gypsy Morph

Peter F. Hamilton's extraordinary far-future epics recall the golden age of science fiction, as practiced by Isaac Asimov and Robert Heinlein. Nowhere is that legacy more in evidence than in *The Void Trilogy*. Taking place twelve hundred years after the events of Hamilton's Commonwealth novels, *The Dreaming Void*, *The Temporal Void*, and *The Evolutionary Void* are Hamilton at his most ambitious and daringly imaginative—and now all three are together for the first time in this addictive eBook bundle. Contains an exhilarating preview of Peter F. Hamilton's highly anticipated novel, *The Abyss Beyond Dreams*, set in the same universe as *The Void Trilogy*. THE DREAMING VOID THE TEMPORAL VOID THE EVOLUTIONARY VOID The year is 3589. At the very heart of the galaxy is the Void, a self-contained microuniverse that cannot be stopped as it expands in all directions, consuming everything in its path. Even the oldest and most technologically advanced of the galaxy's sentient races, the Raiel, do not know its origin or its purpose. Then Inigo, an astrophysicist, begins having vivid dreams. Inside the Void, Inigo sees paradise. Thanks to the gaiafield, a neural entanglement wired into most humans, those dreams are shared by hundreds of millions—and a religion, the Living Dream, is born, with Inigo as its prophet. But then he vanishes. A new wave of dreams broadcast by an unknown Second Dreamer serves as the impetus for a massive Pilgrimage into the Void, which could trigger an accelerated devourment phase that will swallow up thousands of worlds. Thus begins a desperate race to find Inigo and avert catastrophe. Praise for *The Void Trilogy* *The Dreaming Void* "Peter F. Hamilton is the owner of the most powerful imagination in science fiction, author of immense, complex far-future sagas. *The Dreaming Void* is his best yet."—Ken Follett "A real spellbinder from a master storyteller . . . dozens of scenarios, a surprisingly well-delineated cast of thousands, plotting enough to delight the most Machiavellian of readers."—Kirkus Reviews (starred review) "Amazing storytelling . . . Hamilton is the clear heir to Heinlein in my view."—Marc Andreessen, founder, Netscape *The Temporal Void* "Fusing elements of hard SF with adventure fantasy tropes, Hamilton has singlehandedly raised the bar for grand-scale speculative storytelling."—Publishers Weekly "A great, sprawling, ripping yarn reminiscent of Golden Age Science Fiction."—SF Crowsnest "A gripping story, with the fates of two universes at stake."—SF Site *The Evolutionary Void* "Satisfying and powerful . . . Space Opera doesn't get much more epic than Peter F. Hamilton, something proven in spades

in The Evolutionary Void.”—SFFWorld “Spiced with plenty of action and intrigue.”—San Jose Mercury News “The author’s mastery of the art of the ‘big story’ earns him a place among the leading authors of dynastic SF.”—Library Journal

The Abyss Beyond Dreams

The Temporal Void by Peter F. Hamilton is the second book in the incredibly successful Void Trilogy. set in the Commonwealth Universe. Humanity is in turmoil as a fanatical cult, inspired by projected dreams from the Void, prepares to journey beyond its boundaries - no matter what they will unleash in doing so . . . Investigator Paula Myo is determined to find the Void's 'Second Dreamer', Araminta, who is channelling the latest visions of Edeard the Waterwalker. A messiah, it's his crusade against injustice that has influenced billions to risk journeying into the unknown. It's only as the dreams reach their culmination and Edeard's story nears its end that the Void's true nature will be revealed. And by then it may be too late . . . Journey into the Void

The Demon is back and Will Jern, the man who banished it eight years ago is called upon again, to pit himself against the fiend. With the lives of five children at stake, and time running out to save them, Will must find Luke, the man responsible for bringing the demon back, all the while battling a foe that is quite beyond him. Not the demon, but his own sister. Despite all the sacrifices to save her from the demon, 8 years previously, Talitha Jern came back from her time in hell, changed. At once, she is the sweet innocent sister that he has always loved, but she is also a diabolical beauty, cruel, devious, and powerful as well, with physical capabilities that are unmatched. Talitha is also after Luke, not to save any useless children, but to further her own ends and Will must kill her first, if he is going to have any chance against the demon.

With comparisons to N.K. Jemison, Michael J. Sullivan, and Joe Abercrombie, readers have fallen in love with The Veiled Empire, the first book in The Sundered Worlds trilogy. Now, Nathan Garrison takes the story to the next level Shadow of the Void. The Veil has fallen . . . and the gods have been woken. For many, a new dawn has risen, as freedom from the tyrannical Emperor Re kaj has created a land replete with opportunities. But for those who had lived outside the Veil for generations, the sudden appearance of a new nation is not cause for celebration--it is the cause for war. Yet, even as the political machinations of men and mierothe and valynkar start to manifest on a global scale, there are a few playing their own games. Whether it's the powerful combination of Vashodia and Jasside trying to carve out a country for those freed

from the Veil, or the warrior Mevon and assassin Draevenus forming an unlikely alliance in search of the dark god Ruul, the world is in chaos which might be exactly what some are counting on. Continuing where Veiled Empire left off, Shadow of the Void shows us how individuals can shape their own destinies, but not necessarily control them.

Queen of the Void

Set in the near future, over three hundred years before Pandora's Star and Judas Unchained, Peter F. Hamilton's Misspent Youth is a gripping introduction to the world of the Commonwealth Saga. Jeff Baker is granted the gift of eternal youth. However, it's not all it seems . . . It is 2040 and, after decades of research, we can finally rejuvenate a human being. At seventy-eight years old, Jeff Baker - renowned inventor and philanthropist - has given the world much of his creative genius. He's therefore selected as first choice for this gift. At first, rejuvenation feels like a miracle, until the glow begins to fade. Personal relationships start to break down and the world waits for more brilliant new work. Living the dream will come at a cost, but can Jeff pay the price?

Judas Unchained

Reviewers exhaust superlatives when it comes to the science fiction of Peter F. Hamilton. His complex and engaging novels, which span thousands of years—and light-years—are as intellectually stimulating as they are emotionally fulfilling. Now, with The Dreaming Void, the first volume in a trilogy set in the same far-future as his acclaimed Commonwealth saga, Hamilton has created his most ambitious and gripping space epic yet. The year is 3589, fifteen hundred years after Commonwealth forces barely staved off human extinction in a war against the alien Prime. Now an even greater danger has surfaced: a threat to the existence of the universe itself. At the very heart of the galaxy is the Void, a self-contained microuniverse that cannot be breached, cannot be destroyed, and cannot be stopped as it steadily expands in all directions, consuming everything in its path: planets, stars, civilizations. The Void has existed for untold millions of years. Even the oldest and most technologically advanced of the galaxy's sentient races, the Rael, do not know its origin, its makers, or its purpose. But then Inigo, an astrophysicist studying the Void, begins dreaming of human beings who live within it. Inigo's dreams reveal a world in which thoughts become actions and dreams become reality. Inside the Void, Inigo sees paradise. Thanks to the gaiafield, a neural entanglement wired into most humans, Inigo's dreams are shared by hundreds of millions—and a religion, the Living Dream, is born, with Inigo as its prophet. But then he vanishes. Suddenly there is a new wave of dreams. Dreams broadcast by an unknown Second Dreamer serve as the inspiration for a massive Pilgrimage into the Void. But there is a chance that by attempting to enter the Void, the pilgrims will trigger a catastrophic expansion, an accelerated devourment phase that will swallow up thousands of worlds. And thus begins a desperate race to find Inigo and the mysterious Second Dreamer. Some seek to prevent the Pilgrimage; others to speed its progress—while within the Void, a

supreme entity has turned its gaze, for the first time, outward. . . . BONUS: This edition includes an excerpt from Peter F. Hamilton's *The Temporal Void*.

The Void of Muirwood

Bestselling science fiction master Peter F. Hamilton delivers the first of a two-book saga set in his popular Commonwealth universe. Distinguished by deft plotting, a teeming cast of characters, dazzling scientific speculation, and imagination that brings the truly alien to life, *The Abyss Beyond Dreams* reveals Hamilton as a storyteller of astonishing ingenuity and power. The year is 3326. Nigel Sheldon, one of the founders of the Commonwealth, receives a visit from the Raiel—self-appointed guardians of the Void, the enigmatic construct at the core of the galaxy that threatens the existence of all that lives. The Raiel convince Nigel to participate in a desperate scheme to infiltrate the Void. Once inside, Nigel discovers that humans are not the only life-forms to have been sucked into the Void, where the laws of physics are subtly different and mental powers indistinguishable from magic are commonplace. The humans trapped there are afflicted by an alien species of biological mimics—the Fallers—that are intelligent but merciless killers. Yet these same aliens may hold the key to destroying the threat of the Void forever—if Nigel can uncover their secrets. As the Fallers' relentless attacks continue, and the fragile human society splinters into civil war, Nigel must uncover the secrets of the Fallers—before he is killed by the very people he has come to save. Praise for *The Abyss Beyond Dreams* “The work of an author at the top of his game.”—*Science Fiction and Fantasy World* “Incredibly robust and exciting and rousing, sharing flavors of Jack Vance, John Wright, China Miéville, Orson Scott Card, and A. E. van Vogt . . . Hamilton's deployment of lots of grand super-science is utterly deft and convincing.”—*Locus* “Solidly engrossing fare . . . The characters, always Hamilton's strength, remain as distinctive as ever.”—*Kirkus Reviews* “Everything one wants in sf—great characters, mind bending stuff, adventure, politics, romance, revolution . . . just superb.”—*Fantasy Book Critic* “Hamilton does a particular kind of planetary politics and space opera very well, and this is a perfect example of it. . . . [*The Abyss Beyond Dreams* is] a satisfying and well-oiled story, with potential for more epic adventure to come.”—*Booklist*

The Elf Queen of Shannara

From acclaimed New York Times bestselling fantasists Margaret Weis and Tracy Hickman comes the spellbinding conclusion to the epic adventure of wonder, courage, magic, and ambition that is the breathtaking world of the Sovereign Stone. Over two hundred years have passed since the mystical Sovereign Stone was shattered and the world of Loerem faced its most dangerous test ever—the rise of the dark lord Dagnarus. But now Dagnarus has stirred from the Void and seeks the utter conquest of all Loerem. Leading a seemingly unstoppable horde of bestial, powerful minions and a host of insidious undead, Dagnarus captures mortal kingdom after mortal kingdom, until he stands before the very gates of New Vinnengael, as

traitors within the city plot to yield the crown to the undead lord. In the darkness and turmoil that follows, all heroes must first master their own fears and weaknesses before they can take up the fight to stop Dagnarus, and the company spreads across many lands to face many perils. Mortally wounded by a Blood-knife wielded by an undead Vrykyl knight, the Baron Shadamehr lies dying, and even the many skills of his beautiful, beloved Alise may not be able to save him. Others face desperate journeys through hostile lands and difficult tests of character. And, unsuspected, a deadly Vrykyl stalks the pecwae Bashae—and his precious burden, the human portion of the Sovereign Stone—through the streets of New Vinnengael. Yet the gods have their own plans for this imperiled land, and drawn by an unknown call, the Dominion Lords head for the Portal of the Gods, the mystical, haunted site of Dagnarus’s terrible treachery two hundred years beforehand. For if all the parts of the sundered Sovereign Stone can be reunited, the Dominion Lords can stop Dagnarus’s unholy plans for domination. But one piece is still missing. . . . As the past and present converge in a desperate race to determine the future, an unlikely hero will arise. A man who will become far more than he ever dreamed possible and who holds the fate of all Loerem in his hands. And to save Loerem he must venture into a realm of utter terror and darkness . . . into the very blackness of the Void itself.

The Commonwealth Saga 2-Book Bundle

“Find the Elves and return them to the world of Men!” the shade of the Druid Allanon had ordered Wren. It was clearly an impossible task. The Elves had been gone from the Westland for more than a hundred years. There was not even a trace of their former city of Arborlon left to mark their passing. No one in the Esterland knew of them -- except, finally, the Addershag. The blind old woman had given instructions to find a place on the coast of the Blue Divide, build a fire, and keep it burning for three days. “One will come for you.” Tiger Ty, the Wing Rider, had come on his giant Roc to carry Wren and her friend Garth to the only clear landing site on the island of Morrowindl, where, he said, the Elves might still exist, somewhere in the demon-haunted jungle. Now she stood within that jungle, remembering the warning of the Addershag: “Beward, Elf-girl. I see danger ahead for you . . . and evil beyond imagining.” It had proved all too true. Wren stood with her single weapon of magic, listening as demons evil beyond all imagining gathered for attack. How long could she resist? And if, by some miracle, she reached the Elves and could convince them to return, how could they possibly retrace her perilous path to reach the one safe place on the coast? **BONUS:** This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*.

A Night Without Stars

"That is Brooks' way of casting spells—transporting his readers into plausible realms where sorcery is alive, whether those places are in other ages or right in the middle of our own. As a result, he's reaped more than a few magical moments"—Seattle Times As a Knight of the Word, John Ross has struggled against the dark forces of the Void and his minions for twenty-five years. The grim future he dreams each night—a world reduced to blood and ashes—will come true, unless he can stop them now, in the present. The birth of a gypsy morph, a rare and dangerous creature that could be an invaluable weapon in his fight against the Void, brings John Ross and Nest Freemark together again. Twice before, with the fate of the world hanging in the balance, the lives of Ross and Nest have intersected. Together, they have prevailed. But now they will face an ancient evil beyond anything they have ever encountered, a demon of ruthless intelligence and feral cunning. As a firestorm of evil erupts, threatening to consume lives and shatter dreams, they have but a single chance to solve the mystery of the Gypsy morph—and their own profound connection. "Superior to most of the fantasy fiction being published today."—Rocky Mountain News

The Reality Dysfunction

"Captain Nolan destroyed the Void Wraith factory and the fleet guarding it, but every victory comes with a price. The destruction of the Helios Gate in the Ghantan system stranded Nolan and his crew months from the closest Gate. Dryker and Khar have been imprisoned by the Primo, forced to remain idle."--Amazon.com.

The Void

Telepathic investigator Greg Mandel delves into the origins of a mysterious flower delivered to Julia Evans, owner of Event Horizon, that possesses genes millions of years in advance of terrestrial DNA. Reprint.

Running with the Demon

With refreshing determination and hopeful grit, humanity activates a bold endgame against an alien invasion in the finale of a series heralded as “a modern classic” (Stephen Baxter) from “one of the finest writers the genre has produced” (Gareth L. Powell). Humanity is struggling to hold out against a hostile takeover by an alien race that claims to be on a religious mission to bring all sentient life to its God at the End of Time. But while billions of cocooned humans fill the holds of the Olyix’s deadly arkships, humankind is playing an even longer game than the aliens may have anticipated. From an ultra-secret spy mission to one of the grandest battles ever seen, no strategy is off the table. Will a plan millennia in the making finally be enough to defeat this seemingly unstoppable enemy? And what secrets are the Olyix truly hiding in their most zealously protected stronghold? With his trademark optimism about humanity’s tenacity and capacity for greatness, Peter F. Hamilton wraps up this brilliant saga with a bang—and reminds us why freedom of choice is the most important freedom there is.

Hell Blade

The Evolutionary Void is the epic conclusion to Peter F. Hamilton's Void trilogy, set in the world of the Commonwealth Saga. Time is running out for those determined to prevent millions of followers from the cult of Living Dreams crossing into the Void and triggering an expansion that will destroy everything in its path. Second Dreamer Araminta is on the run but knows that she cannot escape her destiny forever. But when she finally makes her choice it will change her in ways no one could have expected. Meanwhile, Edeard, the subject of the cult's dreams, finds life as challenging and dangerous as ever. He soon realizes that there are consequences for stability. But is the price for peace too high? The story of the Commonwealth Universe continues with: *The Abyss Beyond Dreams: Chronicle of the Fallers 1* *Night Without Stars: Chronicle of the Fallers 2*

Void Wraith

A Supercomputer Brain In A 15-Year-Old's Body Meet Raven, The Most Dangerous Teenager In The World. London. The 24th century. The CPS, a secret government agency, is on a mission to seek and destroy the Hex, human mutants with supercomputer minds. They are young. They look like you or me. They must never be allowed to grow up. But the CPS hasn't discovered Raven. Killing Gravity

The owner of the most powerful imagination in science fiction (Ken Follett, author of "Eye of the Needle") returns with this sequel to "The Dreaming Void," and the second work in a stunning far-future trilogy.

Night Without Stars

The invasion is here. Already decimated by civil war, the armies of the Three Kingdoms struggle desperately to mount a defense against a force stronger than any they have fought before. In the midst of the chaos the actions and choices of a select few will shape the future of the land. Akira prepares to give up his Lordship. Ryuu wanders the Southern Kingdom, searching for a reason to fight. Moriko sits quietly, biding her time before she leaves the Three Kingdoms for good. Finally, across the Three Sisters, Nameless fights to keep his fragile alliance of clans together. A new age is dawning in the Three Kingdoms. An age born in blood and sacrifice. An age shaped by the wind and the void. . .

The Void Trilogy 3-Book Bundle

From the Elven realm of Lóresse comes a tale of fierceness. Analindë's anxieties had calmed; her emotions remained balanced. One could almost say that she was happy. But with a quick trip into town, all of that changes. Mirëdell, an alpine town tucked next to an elven school of magecraft and Energy study, filled with intrigue and Sword Sworn, what could possibly go wrong? The third story in the series: The Chronicles of Lóresse, this tale picks up a few days after the last one left off. This book is also available in the collection of Lóresse books: The Analindë Trilogy (books 1-3).

The Dreaming Void

Peter F. Hamilton has proven himself a modern master of epic space opera, carrying the tradition of far-future empire building begun by Heinlein and Asimov into the new millennium. But Hamilton is also a master of the short story, and when he tackles one of science fiction's most enduring themes—time travel—the result is as provocative as it is entertaining. It starts in 2007 with a break-in. The victim: Marcus Orthew, the financial and technological genius behind Orthanics, the computer company whose radical products have delivered a one-two punch to the industry, all but knocking PCs and Macs out of the ring. The perpetrator: a man obsessed with Orthew. Just another simple case of celebrity stalking—or so everyone assumes at first, including Metropolitan Police Chief Detective David Lanson. But when Lanson interviews the suspect, he makes a startling claim: Orthew is from the future. Or, rather, a future—a parallel timeline. Thus begins the ride of a lifetime for Lanson, as his pursuit of the facts tumbles him headlong down a rabbit hole—and the hunter finds himself hunted.

An Illusion of Hell

Earning comparisons to such sci-fi/fantasy greats as Frank Herbert, Isaac Asimov, and George R. R. Martin, Peter F. Hamilton is a one-of-a-kind voice in space opera. His interstellar adventures are hugely ambitious, wildly entertaining, and philosophically stimulating. Now Hamilton's centuries-spanning Commonwealth Saga—the linked novels Pandora's Star and Judas Unchained—is available in one epic eBook bundle. Contains a thrilling preview of Peter F. Hamilton's upcoming novel, The Abyss Beyond Dreams, set in the same universe as the Commonwealth Saga. PANDORA'S STAR JUDAS UNCHAINED 2380. The Intersolar Commonwealth, a sphere of stars, contains more than six hundred worlds interconnected by a web of transport "tunnels" known as wormholes. At the farthest edge of the Commonwealth, astronomer Dudley Bose observes the impossible: over one thousand light-years away, a star . . . disappears. Since the location is too distant to reach by wormhole, the Second Chance, a faster-than-light starship commanded by Wilson Kime, a five-times-rejuvenated ex-NASA pilot, is dispatched to learn what has occurred and whether it represents a threat. Opposed to the mission are the Guardians of Selfhood. Shortly after the journey begins, Kime wonders if the crew of the Second Chance has been infiltrated. But soon enough he will have other worries. Halfway across the galaxy, something truly incredible is waiting: a deadly discovery whose unleashing will threaten to destroy the Commonwealth . . . and humanity itself. Praise for the Commonwealth Saga Pandora's Star "Should be high on everyone's reading list . . . You won't be able to put it down."—Nancy Pearl, NPR "An imaginative and stunning tale of the perfect future threatened . . . a book of epic proportions not unlike Frank Herbert's Dune or Isaac Asimov's Foundation trilogy."—SFRevu "Recommended . . . A large cast of characters, each with his own story, brings depth and variety to this far-future saga."—Library Journal Judas Unchained "An interstellar suspense thriller . . . sweeping in scope and emotional range."—San Antonio Express-News "Hamilton tackles SF the way George R. R. Martin is tackling fantasy. . . . There's a sense of wonder here that's truly unchained."—SF Reviews "Richly satisfying . . . wonderfully imagined . . . Hamilton adroitly leaps from the struggles of one engaging, quirky character to another."—Publishers Weekly (starred review)

The Nano Flower

The planet Bienvenido is in crisis. It has finally escaped the Void, emerging into regular space. But it's millions of light-years from Commonwealth assistance, and humans are battling the Fallers for control of their world. This rapacious adversary, evolved to destroy all sentient life, has infiltrated every level of human society - hijacking unwilling bodies so its citizens fear their leaders, friends and family. A mysterious figure known as the Warrior Angel leads a desperate resistance. She's helped by forbidden Commonwealth technology, which gives her a crucial edge. But the government obstructs the Angel's efforts at every turn, blinded by prejudice and technophobia. As Fallers also prepare to attack from the skies, she might need to incite rebellion to fight this invasion. But the odds seem impossible

BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*. Terry Brooks won instant acclaim with his phenomenal New York Times bestseller *The Sword of Shannara*. Its sequels earned Brooks legendary status. Then his darkly enthralling *The Word* and the Void trilogy revealed new depths and vistas to his mastery of epic fantasy. *Armageddon's Children* and *The Elves of Cintra* took Brooks's remarkable mythos to a breathtaking new level by delving deep into the history of Shannara. And now, *The Gypsy Morph* rounds out—with an adventure of unforgettably imaginative scope—the first phase of a new chapter in this classic series. Eighty years into the future, the United States is a no-man's-land: its landscape blighted by chemical warfare, pollution, and plague; its government collapsed; its citizens adrift, desperate, fighting to stay alive. In fortified compounds, survivors hold the line against wandering predators, rogue militias, and hideous mutations spawned from the toxic environment, while against them all stands an enemy neither mortal nor merciful: demons and their minions bent on slaughtering and subjugating the last of humankind. But from around the country, allies of good unite to challenge the rampaging evil. Logan Tom, wielding the magic staff of a Knight of the Word, has a promise to keep—protecting the world's only hope of salvation—and a score to settle with the demon that massacred his family. Angel Perez, Logan's fellow Knight, has risked her life to aid the elvish race, whose peaceful, hidden realm is marked for extermination by the forces of the Void. Kirisin Belloruus, a young elf entrusted with an ancient magic, must deliver his entire civilization from a monstrous army. And Hawk, the rootless boy who is nothing less than destiny's instrument, must lead the last of humanity to a latter-day promised land before the final darkness falls. *The Gypsy Morph* is an epic saga of a world in flux as the mortal realm yields to a magical one; as the champions of the Word and the Void clash for the last time to decide what will be and what must cease; and as, from the remnants of a doomed age, something altogether extraordinary rises.

A Knight of the Word

“Superior to anything being written in the genre . . . Terry Brooks is one of a handful of fantasy writers whose work consistently meets the highest literary standards.”—Rocky Mountain News Eight centuries ago the first Knight of the Word was commissioned to combat the demonic evil of the Void. Now that daunting legacy has passed to John Ross—along with powerful magic and the knowledge that his actions are all that stand between a living hell and humanity's future. Then, after decades of service to the Word, an unspeakable act of violence shatters John Ross's weary faith. Haunted by guilt, he turns his back on his dread gift, settling down to build a normal life, untroubled by demons and nightmares. But a fallen Knight makes a tempting prize for the Void, which could bend the Knight's magic to its own evil ends. And once the demons on Ross's trail track him to Seattle, neither he nor anyone close to him will be safe. His only hope is Nest Freemark, a college student who wields an extraordinary magic all her own. Five years earlier, Ross had aided Nest when the future of

humanity rested upon her choice between Word and Void. Now Nest must return the favor. She must restore Ross's faith, or his life—and hers—will be forfeit . . . “[An] urban dark fantasy . . . Sharp and satisfying.”—Publishers Weekly (starred review)

The Evolutionary Void

Misspent Youth

Judas Unchained concludes the Commonwealth Saga duology by Peter F. Hamilton – one of the world's bestselling science fiction writers. Our worlds are under invasion – and only the impossible can save us now . . . For hundreds of years, the human race has been manipulated into starting a war. And it's one that could destroy our entire civilization. Chief Investigator Paula Myo is nominated to hunt the creature behind this ploy, while our invasion continues and multiple worlds fall to the enemy. In response, Admiral Kime commands humanity's defense, marshaling war-ready super-weapons. Yet he discovers his adversaries wield equally powerful armaments. The question is – where did these come from? Has the Commonwealth's top-secret defense project been compromised, or is the truth even worse than we can imagine? The Commonwealth Saga starts with Pandora's Star. 'If Pandora's Star represented a return to form, Judas Unchained is even better' - Guardian

The Saints of Salvation

Falcon Hyatt has a problem. For reasons unknown to him he can wield all the elements, not only basics like fire and water, but also those more advanced, like space and poison. And now the chaos element, the same one his parents' killer Shal-Volcseck wields, has awakened within him, with catastrophic results. To complicate matters, the Suteckh Empire has declared war on the capital cities of Va'siel. Now he must venture out into the world with his friends Lao, Faith, and Aya on a mission to stop the Suteckh from taking over Va'siel, and find his parents killer, as all the while he struggles to suppress his newfound abilities. In his quest Falcon is forced to question what he's really fighting for, where his loyalties lie, and his own character. Is he truly a good person, or an even more dangerous menace than the dreaded Shal-Volcseck? Element Wielder is the story of faith, love, and a young man's struggle to continue on his quest, when surrendering to his emotions and giving up is so much easier.

The Temporal Void

Obi-Wan Kenobi and Anakin Skywalker embark on a mission to uncover the whereabouts of the evil Sith Lord, Darth Sidious, only to become trapped in a labyrinthine web of lies, betrayal, and intrigue.

Star Wars

Know your enemy - or be defeated. AD 2204 An alien shipwreck is discovered on a planet at the very limits of human expansion - so Security Director Feriton Kayne selects a team to investigate. The ship's sinister cargo not only raises bewildering questions, but could also foreshadow humanity's extinction. It will be up to the team to bring back answers, and the consequences of this voyage will change everything. Back on Earth, we can now make deserts bloom and extend lifespans indefinitely, so humanity seems invulnerable. We therefore welcomed the Olyix to Earth when they contacted us. They needed fuel for their pilgrimage across the galaxy - and in exchange they helped us advance our technology. But were the Olyix a blessing or a curse? THE FAR FUTURE Many lightyears from Earth, Dellian and his clan of genetically engineered soldiers are raised with one goal. They must confront and destroy their ancient adversary. The enemy caused mankind to flee across the galaxy and they hunt us still. If they aren't stopped, we will be wiped out - and we're running out of time. Salvation is the first title in a stunning science fiction trilogy, the Salvation Sequence, by Peter F. Hamilton

Element Wielder

I was born of nothing. I'm a Void, a rare supernatural capable of absorbing powers at the brush of my skin. Feared. Hated. Untouchable. Thibault Academy is full of supernaturals that want me dead, and the most powerful of them, the Paragons, will stop at nothing to ensure I go back to the hell I came from. They're cruel, heartless, and have created an unlikely alliance to take me down. If I want to learn how to control the nothingness, I'll have to survive them. I was born of the void, but I'll die from the power. This is a reverse harem bully romance.

Void

When banished Princess Maia is captured by her father and threatened with execution, it appears that all is lost until the people rise in rebellion against their king. Suddenly, the cast-aside royal finds herself crowned the first Queen of Comoros. But enemies appear on all sides as her father's conniving supporters assemble a new army against the fledgling ruler. While Maia struggles to keep the peace within her own walls, she rushes to form historical alliances with her neighboring kingdoms against an impending invasion of the ruthless Naestors--led by the cruel Corriveau--who will destroy anyone

Maia loves in order to ruin her kingdom and prevent the mastons from regaining power. Realizing that Muirwood Abbey is once again her only hope for survival, Maia gathers her people there for protection. When she discovers an adversary greater than she's ever known, she must use all the magic, strength, and wisdom gained from her life's trials to prevent the Void that would bring destruction to herself, her true love, and the entire kingdom.

The Temporal Void

Following the astonishing *The Abyss Beyond Dreams*, *Night Without Stars* is the epic second and final part to Peter F. Hamilton's *Chronicle of the Fallers*. The planet *Bienvenido* is in crisis. It has finally escaped the Void, emerging into regular space. But it's millions of light-years from Commonwealth assistance, and humans are battling the Fallers for control of their world. This rapacious adversary, evolved to destroy all sentient life, has infiltrated every level of human society - hijacking unwilling bodies so its citizens fear their leaders, friends and family. A mysterious figure known as the Warrior Angel leads a desperate resistance. She's helped by forbidden Commonwealth technology, which gives her a crucial edge. But the government obstructs the Angel's efforts at every turn, blinded by prejudice and technophobia. As Fallers also prepare to attack from the skies, she might need to incite rebellion to fight this invasion. But the odds seem impossible. Then astronaut Ry Evine uncovers one last hope. On a mission against the enemy, his spacecraft damages an unidentified vessel. This crash-lands on the planet carrying unexpected cargo: a baby. This extraordinary Commonwealth child possesses knowledge that could save them all. But if the Fallers catch her, the people of *Bienvenido* will not survive.

The Glass Breaks

In *The Void Protocol*, New York Times bestselling author F. Paul Wilson concludes his medical thriller trilogy featuring Rick Hayden and Laura Fanning as they confront the entities responsible for the supernatural events of *Panacea* and *The God Gene*. Something sits in a bunker lab buried fifty feet below the grounds of Lakehurst Naval Air Station. The product of the Lange-Tür technology confiscated from the Germans after World War II occupies a chamber of steel-reinforced ballistic glass. Despite experimentation for nearly three-quarters of a century, no one knows what it is, but illegal human research reveals what it can do. Humans with special abilities have been secretly collected—abilities that can only have come from whatever occupies the underground bunker in Lakehurst. And so it sits, sequestered on the edge of the New Jersey Pine Barrens, slowly changing the world. F. Paul Wilson is the winner of the Career Achievement in Thriller Fiction in the 2017 RT Reviewers' Choice Best Book Awards *The ICE Sequence* #1 *Panacea* #2 *The God Gene* #3 *The Void Protocol*

Into the Void: Star Wars Legends (Dawn of the Jedi)

Space is not the only void In AD 2600 the human race is finally beginning to realize its full potential. Hundreds of colonized planets scattered across the galaxy host a multitude of prosperous and wildly diverse cultures. Genetic engineering has pushed evolution far beyond nature's boundaries, defeating disease and producing extraordinary spaceborn creatures. Huge fleets of sentient trader starships thrive on the wealth created by the industrialization of entire star systems. And throughout inhabited space the Confederation Navy keeps the peace. A true golden age is within our grasp. But now something has gone catastrophically wrong. On a primitive colony planet a renegade criminal's chance encounter with an utterly alien entity unleashes the most primal of all our fears. An extinct race which inhabited the galaxy aeons ago called it "The Reality Dysfunction." It is the nightmare which has prowled beside us since the beginning of history. THE REALITY DYSFUNCTION is a modern classic of science fiction, an extraordinary feat of storytelling on a truly epic scale.

The Void Protocol

And he lived happily ever after. For just the briefest time, Will Jern thought there could be a chance at the perfect fairy tale ending, but then he discovers that there is a stranger in his home and that his wife is being held captive by a witch bent on vengeance and who is desperately in need of a soul. And she lived happily ever after. These are the words that Talitha Jern wishes to be applied to her headstone, but it will never happen. Heaven is for those whose hands aren't stained with the blood of loved ones, it's for those whose ears don't still ring with their screams. When her demon was banished back to the Void, it left behind the gift that keeps on giving: memories. Now Talitha can see herself as she murdered and maimed for all those years. And soon she can't tell which memories are of her making and which came from the demon, it's enough to drive a person crazy. And they all lived happily ever after. Not for a moment did Katie Jern believe this; she knew her family was good and cursed. At the age of six, she saw the demon and peered with innocent eyes through the gate to Hell. They are innocent no more. They are guarded lest anyone can look past her perky features and see the raging paranoia beneath. But at least she gets the answer to the question that all paranoids ask: Am I paranoid enough? Not nearly.

Shadow of the Void

Flying at the helm of a powerful battle cruiser, former pirate Catarina Vargus leads a collection of colonists, miners, engineers, and navy personnel to establish an outpost far beyond the frontier. The Royal Navy needs a forward operating base in their war against the alien race known as Apex, who has vowed to exterminate all sentient life in the quarter. Catarina's expedition soon draws the attention of Scandian marauders, driven from their home worlds by plague and war in search of plunder. Enraged by the intrusion into their territory and greedy to seize her fleet and supplies, they mount a fleet of star wolves to destroy her base before it can get a toehold. The first book of the new sci-fi trilogy by Wall Street Journal bestselling author Michael Wallace, Queen of the Void is an exciting space opera for both new readers and fans of the

bestselling Starship Blackbeard universe alike.
