Sarah J. Maas's global #1 bestselling THRONE OF GLASS series reaches new heights in this sweeping fourth instalment. Everyone Celaena Sardothien loves has been taken from her. Now she returns to the empire - to confront the shadows of her past. Bloodthirsty for revenge on the two men responsible for destroying her life, and desperate to find out if the prince and his captain are safe, Celaena returns to Rifthold. She has accepted her identity as Aelin Galathynius, the lost Queen of Terrasen. But before she can reclaim her throne, there are dark truths to learn and debts to be paid. Aelin must stay hidden beneath her assassin's hood and draw on her mortal strength as Celaena to prevent the King of Adarlan from tearing her world apart. Only then can she fight for her people. Readers will be held rapt as Celaena's story builds to an agonising crescendo, packed with heart-pounding action and searing romance.

about two eleven-year-olds in Sudan, a girl in 2008 and a boy in 1985. The girl, Nya, is fetching water from a pond that is two hours' walk from her home: she makes two trips to the pond every day. The boy, Salva, becomes one of the "lost boys" of Sudan, refugees who cover the African continent on foot as they search for their families and for a safe place to stay. Enduring every hardship from loneliness to attack by armed rebels to contact with killer lions and crocodiles, Salva is a survivor, and his story goes on to intersect with Nya's in an astonishing and moving way.

### **Forged by Fire**

The action-packed, heart-wrenching and fantastically addictive sequel to Sarah J. Maas's epic YA fantasy debut *THRONE OF GLASS*. Eighteen-year-old Celaena Sardothien is bold, daring and beautiful – the perfect seductress and the greatest assassin her world has ever known. But though she won the King's contest and became his champion, Celaena has been granted neither her liberty nor the freedom to follow her heart. Celaena faces a choice that is tearing her to pieces: kill in cold blood for a man she hates, or risk sentencing those she loves to death. Celaena must decide what she will fight for: survival, love or the future of a kingdom. Because an assassin cannot have it all And trying to may just destroy her.

music, archery, poetry, and more--by casting him down to earth in the form of a gawky, acne-covered sixteen-year-old mortal named Lester. The only way Apollo can reclaim his rightful place on Mount Olympus is by restoring several Oracles that have gone dark. What is affecting the Oracles, and how can Apollo/Lester do anything about them without his powers? After experiencing a series of dangerous--and frankly, humiliating--trials at Camp Half-Blood, Lester must now leave the relative safety of the demigod training ground and embark on a hair-raising journey across North America. Somewhere in the American Midwest, he and his companions must find the most dangerous Oracle from ancient times: a haunted cave that may hold answers for Apollo in his quest to become a god again--if it doesn't kill him or drive him insane first. Standing in Apollo's way is the second member of the evil Triumvirate, a Roman emperor whose love of bloodshed and spectacle makes even Nero look tame. To survive the encounter, Apollo will need the help of son of Hephaestus Leo Valdez, the now-mortal sorceress Calypso, the bronze dragon Festus, and other unexpected allies--some familiar, some new--from the world of demigods. Come along for what promises to be a harrowing, hilarious, and haiku-filled ride. . . . Includes the first chapter of *The Trials of Apollo Book 3: THE BURNING MAZE*, plus the first chapters of two Rick Riordan Presents novels: *THE STORM RUNNER* by J. C. Cervantes, based on Mayan mythology, and *DRAGON PEARL* by Yoon Ha Lee, a space opera with elements of Korean mythology.

The Providence of Fire is the second novel in Brian Staveley's Chronicle of the Unhewn Throne, a gripping new epic fantasy series. The conspiracy to destroy the ruling family of the Annurian Empire is far from over. Having learned the identity of her father's assassin, Adare flees the Dawn Palace in search of allies to challenge the coup against her family. Few trust her, but when she is believed to be touched by Intarra, patron goddess of the empire, the people rally to help her retake the capital city. As armies prepare to clash, the threat of invasion from barbarian hordes compels the rival forces to unite against their common enemy. Unknown to Adare, her brother Valyn, a renegade member of the empire's most elite fighting force, has allied with the invading nomads. The terrible choices each of them has made may make war between them inevitable. Between Valyn and Adare is their brother Kaden, rightful heir to the Unhewn Throne, who has infiltrated the Annurian capital with the help of two strange companions. The knowledge they possess of the secret history that shapes these events could save Annur or destroy it.

### **The Providence of Fire**

Are there Old Testament roots of the veneration of the Blessed Virgin Mary? Margaret Barker traces the roots of the devotion to Mary as Mother of the Lord back to the Old Testament and the first temple in Jerusalem. The evidence is consistent over more than a millennium: there had been a female deity in Israel, the Mother figure in the Royal cult, who had been abandoned about 600BCE. She was almost written out of the Hebrew text, almost excluded from the canon. This first of two volumes traces the history of the Lady in the Temple, and looks forward to the second volume in which Barker will show how the Lady of the Temple is reclaimed in the advent of Christianity, and becomes the Lady in the Church. The result is breathtaking, and like all Barker's work, is impossible to put down.

William Golding's unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry As provocative today as when it was first published in 1954, *Lord of the Flies* continues to ignite passionate debate with its startling, brutal portrait of human nature. William Golding's compelling story about a group of very ordinary boys marooned on a coral island has been

labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. Epstein, the publisher of the first American paperback edition of *Lord of the Flies*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. *Fire & Blood* begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. What really happened during the Dance of the Dragons? Why was it so deadly to visit Valyria after the Doom? What were Maegor the Cruel's worst crimes? What was it like in Westeros when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel and featuring more than eighty all-new black-and-white illustrations by artist Doug Wheatley. Readers have glimpsed small parts of this narrative in such volumes as *The World of Ice & Fire*, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and grandeur of Gibbon's *The History of the Decline and Fall of the Roman Empire*, *Fire & Blood* is the the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of Westeros. Praise for *Fire & Blood* "A masterpiece of popular historical fiction." —The Sunday Times "The saga is a rich and dark one, full of both the title's promised elements. . . . A GAME OF THRONES How would you like to read A Game of Thrones with a PhD by your side? Steven Attewell, creator of Race for the Iron Throne ([racefortheironthrone.wordpress.com](http://racefortheironthrone.wordpress.com)), is one of the most insightful scholars in political theory and history, but instead of devoting his talents to academia, he's delving into George R.R. Martin's A Song of Ice and Fire saga to give the most comprehensive deconstruction - and explanation - yet offered. Each one of Thrones's 73 chapters is broken down in meticulous detail in four key areas. The Political and Historical Analyses explore the political ramifications

that each character's decisions entail while digging into the real-world historical incidents that inspired Martin's narrative twists and turns. What If? offers up a tantalizing look at how these political and historical elements could have played out in dozens of alternative scenarios, underscoring the majesty and complexity of Martin's storytelling. And Book vs. Show looks at the key differences - both good and bad - between the story as originally conceived on the printed page and as realized in HBO's Game of Thrones. At nearly 204,000 words, it's almost literally impossible to imagine a more exhaustive or authoritative reading companion for any novel ever before published. Note: there are spoilers for all five published novels in the Song of Ice and Fire series. About the author Steven Attewell is the author of Race for the Iron Throne, a blog that examines the history and politics of the Song of Ice and Fire series and HBO's Game of Thrones. He has a PhD in History from the University of California, Santa Barbara, where he studied the history of public policy and was a political and union activist. In addition to Race for the Iron Throne, Steven is also a co-podcaster on Game of Thrones at the Lawyers, Guns, and Money podcast, writes about public policy at the Realignment Project, and is a co-author of the Tower of the Hand: A Hymn for Spring anthology book.
