Forever Elle

Here's a tip: never trust a jackass in preppy clothing. The phrase "trust me" should have been my first clue to hightail it out the door, but hindsight is always 20/20. So there I was, on a stage with two other men, being asked ridiculous questions by a woman I couldn't see, but whose voice made my pants tighten, and not around my ankles. Before I knew what was happening, I'd signed up for six weeks in paradise, isolated on an island for forty-two days with a complete stranger. And when I finally laid eyes on the sexy brunette who belonged to that voice, a part of me thought this wouldn't be so bad. I've always been a levelheaded guy. I am a successful, smart, and shrewd businessman. But that was when I was listening to the head above my shoulders. Once the blood traveled south, I always ran into trouble. She called me Mr. Wrong, and that was fine with me. Lesson learned: lust always trumps logic.

From Joan Juliet Buck, former editor-in-chief of Vogue Paris and “one of the most compelling personalities in the world of style” (New York Times) comes her dazzling, compulsively readable memoir: a fabulous account of four decades spent in the creative heart of London, New York, Los Angeles, and Paris—“If you loved *The Devil Wears Prada*, you’ll adore *The Price of Illusion*” (Elle). In a book as rich and dramatic as the life she’s led, Joan Juliet Buck takes us into the splendid illusions of film, fashion, and fame to reveal, in stunning, sensual prose, the truth behind the artifice. The only child of a volatile movie producer betrayed by his dreams, she became a magazine journalist at nineteen to reflect and record the high life she’d been brought up in, a choice that led her into a hall of mirrors where she was both magician and dupe. After a career writing for *Vogue* and *Vanity Fair*, she was named the first American woman to edit *Vogue Paris*. The vivid adventures of this thoughtful, incisive writer at the hub of dreams across two continents over fifty years are hilarious and heartbreaking. Including a spectacular cast of carefully observed legends, monsters, and stars (just look at the index!), this is the moving account of a remarkable woman’s rocky passage through glamour and passion, filial duty and family madness, in search of her true self.

Her sorority sisters all insist that she looks gorgeous, but all Cat sees is the roll of her stomach when she sits down, or the dimpling at the back of her thighs that wasn't there last year. Cat's therapist prescribes something radical to stop the downward spiral - nude modeling for a nearby college's human form drawing classes. But when Cat goes home with Nate for Thanksgiving, she discovers something shocking from his recent past that proves that he hasn't always been so encouraging of women of all shapes and sizes. Cat has no idea what to think, but she does know one thing - this might destroy their relationship before it's even had a chance to get off the ground. Before Cat can figure out whether the real Nate is the sensitive, adoring guy she fell in love with, or an undercover asshole, she'll have to finally feel comfortable in her own skin - even if it means leaving him forever.
