Natchez Burning

Former homicide detective Nicole Foster has hit rock bottom. Driven off the force by her treacherous partner and lover, she's flat broke and struggling with a gambling addiction. All Nicole has left is the dream of a warm bed at a homeless shelter and the haunting memories of three-year-old Kelsey Chase--whose murder case ended her career. As Nicole obsesses over the old facts, she realizes everything about that case felt off: a disinterested mom, a suicidal pedophile, and too many questions left unanswered. When the little girl's grieving father begs Nicole for help, she's drawn back into the investigation and given one shot at redemption. But the deeper Nicole digs, the more evil she uncovers, including betrayals that hit painfully close to home. Will a shocking discovery be the key to finally getting justice for Kelsey and resurrecting her own life?

Third Degree

The Quiet Game

This book is a critical biography of Grant Allen, (1848-1899), the first for a century, based on all the surviving primary sources. Born in Kingston, Ontario, into a cultured and affluent family, Allen was educated in France and England. A mysterious marriage while he was an Oxford undergraduate wrecked his academic career and radicalized his views on sexual and marital questions, as did a three-year teaching stint in Jamaica. Despite his lifelong ill health and short life, Allen was a writer of extraordinary productivity and range. About half - more than 30 books and many hundreds of articles - reflects interests which ran from Darwinian biology to cultural travel guides. His prosperity, however, was underpinned by fiction; more than 30 novels, including *The Woman Who Did*, which has attracted much recent attention from feminist critics and historians. *The Better End of Grub Street* uses Allen's career to examine the role and status of the freelance

author/journalist in the late-Victorian period. Allen's career delineates what it took to succeed in this notoriously tough profession.

True Evil

When the body of Kate Townsend turns up near the Mississippi River, attorney Penn Cage tangles with the dark side of his hometown of Natchez, Mississippi, to investigate the secret world of a nearby elite high school.

The Story of My Life

Some people have dreams that are so magnificent that if they were to achieve them, their place in history would be guaranteed. Francis Drake, Robert Scott, Charles Lindbergh, Amy Johnson, Edmund Hilary, Neil Armstrong, and Lewis and Clark are among such individuals. But what if one man had such a dream, and once he'd fulfilled it, there was no proof that he had achieved his ambition? Jeffrey Archer's latest book, *Paths of Glory*, is the story of such a man---George Mallory. Mallory once told an American reporter that he wanted to climb Mt. Everest, "because it's there." On his third attempt in 1924, at age thirty-seven, he was last seen six hundred feet from the top. His body was found in 1999, and it still remains a mystery whether he ever reached the summit. But only after you've turned the last page of this extraordinary novel, inspired by a true story, will you be able to decide if George Mallory's name should be added to the list of legends, in which case another name would have to be removed. *Paths of Glory* is truly a triumph.

Forty Years in a Day

From New York Times bestselling author, David Morrell, comes a classic thriller that introduced the character of Rambo, one of the most iconic action heroes of the twentieth century. Called "the father of the modern action novel," *FIRST BLOOD* changed the genre. Although the book and the film adaptation have similarities, they are very different, especially its unexpected ending and its greater intensity. If you've only experienced the film, you're in for a surprise. Once they were soldiers. Rambo, the ragged kid whose presence in town is considered a threat. And Teasle, the Chief of Police of Madison, Kentucky. Both have been trained to kill: Rambo in Vietnam, Teasle in Korea. They learned different military tactics, different ways of death and survival in two different wars. Now, without warning, they are enemies in a civilian combat that becomes a chase through the woods and mountains and caves above the town. As we follow them, we understand that once a man has been trained as a killer, perhaps he is changed forever. Award-winning *FIRST BLOOD* was published in 1972, was translated into 26 languages, and has never been out of print. It was one of the first novels to deal with post-traumatic stress disorder. David's novelizations for *RAMBO (FIRST BLOOD PART II)* and *RAMBO III* are available as e-books. They're quite different from the films and include revealing introductions. See also David's *RAMBO AND ME: THE STORY BEHIND THE STORY*. Critical reactions: "A fine novel. . . . When Johnny comes marching home this time, watch out." —The New York Times Sunday Book Review "A first-rate thriller." —Newsweek "One of the finest chase novels you will ever read." —Minneapolis Tribune "A terrific thriller." —Saturday Review "One hell of a hard, fast novel." —John D. MacDonald

The Death Factory

The #1 New York Times Bestseller GoodReads Choice Award semi finalist, Amazon Best Mysteries & Thrillers of 2017 selection The final installment in the epic

Natchez Burning trilogy by Greg Iles “Natchez Burning is extraordinarily entertaining and fiendishly suspenseful. I defy you to start it and find a way to put it down; as long as it is, I wished it were longer. . . . This is an amazing work of popular fiction.” — Stephen King “One of the longest, most successful sustained works of popular fiction in recent memory... Prepare to be surprised. Iles has always been an exceptional storyteller, and he has invested these volumes with an energy and sense of personal urgency that rarely, if ever, falter.” — Washington Post

The endgame is at hand for Penn Cage, his family, and the enemies bent on destroying them in this revelatory volume in the epic trilogy set in modern-day Natchez, Mississippi—Greg Iles’s epic tale of love and honor, hatred and revenge that explores how the sins of the past continue to haunt the present. Shattered by grief and dreaming of vengeance, Penn Cage sees his family and his world collapsing around him. The woman he loves is gone, his principles have been irrevocably compromised, and his father, once a paragon of the community that Penn leads as mayor, is about to be tried for the murder of a former lover. Most terrifying of all, Dr. Cage seems bent on self-destruction. Despite Penn's experience as a prosecutor in major murder trials, his father has frozen him out of the trial preparations--preferring to risk dying in prison to revealing the truth of the crime to his son. During forty years practicing medicine, Tom Cage made himself the most respected and beloved physician in Natchez, Mississippi. But this revered Southern figure has secrets known only to himself and a handful of others. Among them, Tom has a second son, the product of an 1960s affair with his devoted African American nurse, Viola Turner. It is Viola who has been murdered, and her bitter son--Penn's half-brother--who sets in motion the murder case against his father. The resulting investigation exhumes dangerous ghosts from Mississippi's violent past. In some way that Penn cannot fathom, Viola Turner was a nexus point between his father and the Double Eagles, a savage splinter cell of the KKK. More troubling still, the long-buried secrets shared by Dr. Cage and the former Klansmen may hold the key to the most devastating assassinations of the 1960s. The surviving Double Eagles will stop at nothing to keep their past crimes buried, and with the help of some of the most influential men in the state, they seek to ensure that Dr. Cage either takes the fall for them, or takes his secrets to an early grave. Unable to trust anyone around him--not even his own mother--Penn joins forces with Serenity Butler, a famous young black author who has come to Natchez to write about his father's case. Together, Penn and Serenity battle to crack the Double Eagles and discover the secret history of the Cage family and the South itself, a desperate move that risks the only thing they have left to gamble: their lives. Mississippi Blood is the enthralling conclusion to a breathtaking trilogy seven years in the making--one that has kept readers on the edge of their seats. With piercing insight, narrative prowess, and a masterful ability to blend history and imagination, Greg Iles illuminates the brutal history of the American South in a highly atmospheric and suspenseful novel that delivers the shocking resolution his fans have eagerly awaited.

On arrival, he finds Bienville, Mississippi very much changed. His family's 150-year-old newspaper is failing; and Jet Talal, the love of his youth, has married into the family of Max Matheson, one of a dozen powerful patriarchs who rule the town through the exclusive Bienville Poker Club. Tsar

The #1 New York Times bestselling author of Mississippi Blood, Greg Iles, keeps the secrets of the South alive in this vibrant novel of infatuation, murder, and sexual intrigue set in his hometown of Natchez, Mississippi. Turning Angel marks the long-awaited return of Penn Cage, the lawyer hero of The Quiet Game, and introduces Drew Elliott, the highly respected doctor who saved Penn's life in a hiking accident when they were boys. As two of the most prominent citizens of Natchez, Drew and Penn sit on the school board of their alma mater, St. Stephen's Prep. When the nude body of a young female student is found near the Mississippi River, the entire community is shocked—but no one more than Penn, who discovers that his best friend was entangled in a passionate relationship with the girl and may be accused of her murder. On the surface, Kate Townsend seems the most unlikely murder victim imaginable. A star student and athlete, she'd been accepted to Harvard and carried the hope and pride of the town on her shoulders. But like her school and her town, Kate also had a secret life—one about which her adult lover knew little. When Drew begs Penn to defend him, Penn allows his sense of obligation to override his instinct and agrees. Yet before he can begin, both men are drawn into a dangerous web of blackmail and violence. Drew reacts like anything but an innocent man, and Penn finds himself doubting his friend's motives and searching for a path out of harm's way. More dangerous yet is Shad Johnson, the black district attorney whose dream is to send a rich white man to death row in Mississippi. At Shad's order, Drew is jailed, the police cease hunting Kate's killer, and Penn realizes that only by finding Kate's murderer himself can he save his friend's life. With his daughter's babysitter as his guide, Penn penetrates the secret world of St. Stephen's, a place that parents never see, where reality veers so radically from appearance that Penn risks losing his own moral compass. St. Stephen's is a dark mirror of the adult world, one populated by steroid-crazed jocks, girls desperate for attention, jaded teens flirting with nihilism, and hidden among them all—one true psychopath. It is Penn's journey into the heart of his

alma mater that gives Turning Angel its hypnotic power, for on that journey he finds that the intersection of the adult and nearly adult worlds is a dangerous place indeed. By the time Penn arrives at the shattering truth behind Kate Townsend's death, his quiet Southern town will never be the same.

The Devil's Punchbowl

From #1 New York Times bestselling author Greg Iles comes the first novel in his Natchez Burning trilogy—which also includes *The Bone Tree* and the upcoming *Mississippi Blood*—an epic trilogy that interweaves crimes, lies, and secrets past and present in a mesmerizing thriller featuring Southern lawyer and former prosecutor Penn Cage. Raised in the southern splendor of Natchez, Mississippi, Penn Cage learned all he knows of duty from his father, Dr. Tom Cage. But now the beloved family doctor has been accused of murdering the African American nurse with whom he worked in the dark days of the 1960s. Once a crusading prosecutor, Penn is determined to save his father, but Tom, stubbornly invoking doctor-patient privilege, refuses even to speak in his own defense. Penn's quest for the truth sends him deep into his father's past, where a sexually charged secret lies. More chilling, this long-buried sin is only one thread in a conspiracy of greed and murder involving the vicious Double Eagles, an offshoot of the KKK controlled by some of the most powerful men in the state. Aided by a dedicated reporter privy to Natchez's oldest secrets and by his fiancée, Caitlin Masters, Penn uncovers a trail of corruption and brutality that places his family squarely in the Double Eagles' crosshairs. With every step costing blood and faith, Penn is forced to confront the most wrenching dilemma of his life: Does a man of honor choose his father or the truth?
