The questions and activities in this workbook are designed to be done after each Student Guide lesson. This Student Workbook is designed to be used alongside volume one of the Student Guide. One book should be purchased per student in this age group. We created this workbook to challenge students in their walk with Christ. The questions will help students review, meditate on, and apply the material studied within each week's lesson. It is our prayer that they will equip students to gain a firm understanding of Scripture and be ready in season to explain and defend the truth about what they believe (2 Tim. 3:14-17; 1 Pet. 3:15). While these questions will check to ensure students are growing in their knowledge of Scripture, we desire so much more for them. These questions are designed that students might grow in their love for their Savior. The Christian walk requires more than just a bigger head; it requires a change of heart. Our approach is simple. We want to help students cultivate a love for and dependence on God and His Word. This has led us to develop a Christ-focused, worldview-oriented, expository Bible curriculum that we pray will help students further desire to love the Lord with all their heart, soul, strength, and mind (Luke 10:27). This Student Workbook is part of the Illuminate Bible Series. Some scriptural truths seem simple on the surface, and yet the deeper you explore, the more spiritual riches are brought to light. Illuminate Bible Series is intended to help children to think deeply about God and His Word. The number of Bible learning aids available for kids today is enormous. Yet, on average, children and teens today manifestly know less about the Bible than children and teens a generation ago. The best way to combat this uncomfortable reality is to draw kids into meaningful engagement with Scripture. Our robust, student-friendly Bible study materials help students wrestle with vital Bible teachings and solid doctrine. We want to anchor Christian families in the bedrock truth of Scripture.

## **Knowing Scripture**

**BIBLICAL STUDIES** - When a Bible Student or Seminarian begins to lay the basic foundations of the Old and New Testament, one of the first assignments is to provide a book-by-book summary of each biblical book. This is a basic exercise, but like every good foundation, it's one that can't be skipped. An understanding of the larger contexts and contents of each biblical book not only aids in understanding of individual passages, but also reinforces our understanding of all of Scripture.

**PERSONAL NOTES** - This workbook is designed for you to work through each of the books of the Bible and produce your own personal book summaries. You have the chance to reflect on authorship, theological themes, as well as provide a basic outline of each book of the Bible. As you work through the Bible, you'll be able to trace similar theological themes and whole Bible connections.

**SIMPLE WORKBOOK** - What you'll find within this book is a simple template that will allow you to

work through each of the book fo the Bible in a way that deepens your understanding. Also, as you fill up this book you will grow in your understanding of each book of the Bible, and the larger message of the Bible as a whole. ADDITIONAL RESOURCES - In the back of this book I've included two appendices. The first provides my recommended commentaries on each book of the Bible. The second provides my recommended books with regards to Old Testament Introductions, New Testament Introductions, Biblical Theology, and Hermeneutics. This is a really simple workbook, and it's one that will require you to put in a lot of work. But, the outcome will be a deeper understanding of God, specific books of the Bible, and the whole Bible. Articles of religion or confessions of faith are used to inform others of what a person, a church, or society believes with respect to religious beliefs. Some churches restrict membership to those who will subscribe to their articles of religion. One of the problems that this brings is that there comes a time when a new believer cannot, in conscience, subscribe to a tenet of belief that they do not understand. It may be the article is badly worded or poorly written or may, in fact, be in error. In which case a new believer could not in conscience subscribe to something they do not understand. Or it may be a member of the church who begins to realize their articles of religion are in error. This book seeks to inform of the difficulties that articles of religion among Particular Baptists have experienced since the first London Baptists 1646 2nd Edition was published and offers an alternative solution to this problem. The Crossway Classic Commentaries present the very best work on individual Bible books, carefully adapted for maximum understanding and usefulness for today's believers. Perhaps there is no clearer and more systematic treatise on the gospel of Jesus Christ than that found in Paul's Epistle to the Romans. Christian believers through the centuries have fed deeply on its themes of the sinfulness of man, the richness of God's mercy, the transforming power of Jesus Christ in the repentant life, the believer's participation in the Savior's death and resurrection, and the practical implications of spiritual truth for daily life. This classic commentary is a treasure for all who desire a deeper walk with God. According to the clear testimony of the Scriptures themselves, God equips his representatives through the Spirit-breathed Word of God, the Scriptures. Everyone God calls into the ministry must determine to discipline themselves so as to master its contents, submit to its injunctions, and teach its truths. Like a workman (or work-woman!) they must strive to handle the Word of truth accurately, and so be approved of the Lord in their study (2 Tim. 2.15). In this course we outline the need for biblical interpretation, and what is required to carry out this great task. We will explore both the divine and human dimensions of the Bible, and introduce an effective method of biblical interpretation designed to help you approach your study of Scripture so as to bridge the gap between our ancient and contemporary worlds. In addition, we highlight the importance of literary types in biblical interpretation, and explore the numerous kinds of solid scholarly reference tools available to us as we attempt to understand the meaning of a biblical text. This is the Student Workbook for TUMI's Capstone Module 5 English course, Bible Interpretation, which is one of 16 modules in the Capstone Curriculum. This book is intended to be purchased by TUMI satellites, mentors, or site coordinators for use within a TUMI Satellite. The Urban Ministry Institute (TUMI) is a ministry of World Impact, Inc. Many people admire and even revere the Bible, but they simply do not understand what they read, much less how to study Scripture. Yet they wish they could. In this insightful and alternately amusing guide, Professor Mark Yarbrough shows how easy and gratifying it is to unlock the hidden truths of God's Word and to discover a world where reading the Bible doesn't just satisfy our curiosity, but changes our life. To do this, the reader will step into the seminary classroom and observe the practical principles-the tricks of the trade-for becoming a more effective student of the Bible. But Yarbrough has made sure that his writing style and general approach will be appealing to both academic students and those involved in lay-level Bible study. Real life is whacky and in-your-face. Studying Scripture should be too.

## **Understanding the Scriptures**

In this new series - BIBLE THREADS, Keys to Understanding the Bible - Arlington McRae offers us a fresh new 21st century paradigm for how we approach the Bible and understand its essential message. The Bible presents us with a series of stories and related events. The question becomes, "How are these stories and events connected? And what are we to do with them?" The answer is found in understanding "Bible Threads". A Bible thread is the link or bridge that connects the stories and books. A Bible thread is what each story and/or book has in common with other books or stories from Genesis to Revelation. This series addresses the indispensable threads to prepare you to read your Bible enthusiastically with great understanding; and to allow you the joy of discovering other threads for yourself through your own daily Bible study. This volume offers a power packed, Jesus inspired, potentially life-changing resource as it presents the Bible to us in its simplest form. Starting at the beginning, the author walks us through a new "perspective" and a new "context" for how we understand and interpret what we read. It is designed for (a) those of us new to the Bible, and (b) those who never received a comprehensive overview of the Bible that makes sense to them. In this volume, the author lays out the structure and the

over all story - the big picture - of the Bible. This presentation is designed to broaden the context for how we interpret and unify the various books and stories. At the completion of this volume, you will be encouraged to read your Bible and to study it more intelligently with much more confidence and with a satisfying sense of accomplishment.
