### Christian Nurture Series, Teacher's Manual

According to Webster's dictionary a crisis is a “decisive moment or an unstable or crucial time or state of affairs” in history. It is fashionable to suggest the early 21st century is a time of crisis. We are told by our leadership that crisis is on every hand. Indeed, when crisis does not materialize as quickly or as violently as one might expect, it seems civil leadership is not averse to creating “crisis.” However, we are in the midst of crisis. The situation we face today is not economic,

environmental, political or sociological. Instead, it is a crisis of leadership at the most elementary level. It is a crisis requiring a dramatic cultural shift in order to correct the course of history. As things now stand we are headed for disaster. Indeed, we are experiencing the slow unfolding of disaster all around us even today.

Does the Bible have authority in a world committed to relative truth? The understanding of absolute, objective truth has been largely lost. Spend just a few minutes discussing politics or religion and you'll hear responses like, "There is no truth!" or "That may be true for you, but not for me." Understanding the Faith dares to wade into the middle of the controversy with chapters such as: Is God Christian? Isn't Claiming Truth Intolerant? Is the Bible Anti-Science? Summit Ministries' half century of teaching, this first volume of the Understanding the Times Series is your definitive resource for deepening and defending your faith. It's a required resource for every Christian's bookshelf.

Addressing issues such as gender identity, abortion, technology, and poverty, Dr. Myers challenges readers to ask: How can an authentic Christian worldview provide a compassionate, effective witness in culture today? Dr. Myers first shows readers what they can learn from Christian history—and why today's issues might not be as new as they seem. Then he takes them through the significant topics that affect them every day, offering biblical ideas for conversing with others in an increasingly hostile culture. This capstone book to a groundbreaking worldview trilogy equips readers to apply a bold Christian witness to their relationships with loved ones, neighbors, and colleagues.
