100 Years of Western Wear

Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

Dodge Caravan Chrysler Voyager & Town & Country

This volume contains 140 abstracts of prenuptial investigations from the Archivos Históricos del Arzobispado de Durango. These records relate to colonial New Mexico during the period of 1760-1799 and compliment the prenuptial investigations in the Archives of the Archdiocese of Santa Fe.

HANDBOOK OF AMERICAN INDIANS

A soup-to-nuts introduction to small, economical sailing craft Trailer sailers--the smallest, most economical sailboats with sleeping accommodations--are a popular platform for learning the basics of sailing and are often considered to be the entry level to cruising under sail. Author Brian Gilbert shows how trailer sailers can be the ideal craft for a lifetime of enjoyment, including serious, long-distance cruising. This book covers all the bases, including how to inspect, buy, and equip a boat; how to trailer, sail, navigate, and cruise in small boats; how to use communications and navigation equipment; and more.
