Recovery Devotional Bible

At one time or another, every woman has felt overlooked, unimportant, and bruised by the world. But there's good news. While the opinion of others may drag us down, the God who created us has an entirely different opinion of who we are. That's because we are His creations, and everything He created is good! Women today are searching for ways to make a difference in their daily lives. Whether they are working women, stay-at-home moms, or women moving into their retirement years, they all want to be a somebody who makes a positive impact in the world around them. The Bible is filled with "anonymous" women who made a significant impact in God's story. Anonymous helps women discover their uniqueness and significance to Christ by exploring some of the "anonymous" women of the Bible. Though we do not know their names, they all were known and loved by God. Each week of this six-session study begins with an overview of the anonymous woman's story, including background material with relevance to the cultural lifestyles and surroundings of the day. The daily lessons explore her story and the ways that all women can relate to her. Contemporary "anonymous" stories and quotes from everyday women are sprinkled throughout, reinforcing the very personal relevance of this powerful study. Together women will explore and grow in their relationship with Christ as they find their significance in the heart of God. The participant workbook includes 5 lessons for each week with space for recording reflections and answers. Other components for the Bible study,

God Do you ever feel like God is taking too long to answer your prayers? Have you ever taken matters into your own hands, only to discover that you've made the situation worse? Waiting on God challenges our faith when the bills are stacking up, our families are falling apart, or our dreams feel like they won't come true. We know that God hears our prayers, but it's hard when the clock is ticking yet He hasn't shown us the answer. In this four-week Bible study, Barb Roose invites us to explore the stories of women in the Bible who had to wait on God— women such as Hannah, Ruth, Tamar, and the unnamed woman who suffered for over a decade with a painful medical condition. If you've felt anxious, angry, discouraged or depressed because God isn't giving you what you want, their stories will breathe fresh hope and practical next steps in your life. As a reforming control lover, Barb mixes in her personal stories of learning how to wait for God during long seasons of unanswered prayers, family difficulties, and challenging times in ministry. Together we will discover that there is goodness and blessing to be found in times of waiting, including a closer relationship with God than we've ever dared to dream. Other components for the Bible study, available separately, include a DVD. Bible Study Features: A shorter four-week study is ideal for in-between or busy times. Accessible and friendly format. Each week concludes with a devotional lesson featuring prayer journaling, helping women create "memorial stones" during a waiting season. DVD features dynamic, engaging teaching in four 20-minute segments. Participant Workbook includes group session guides, discussion questions, prayers,

As women, we want to fully live up to our God-given potential. But we fall victim to the messages the world whispers in our ears: “You need to buy all of this stuff in order to feel complete.” “You’d be a lot happier if you had a different husband.” “If you’re not super mom and you can’t do it all, you aren’t good enough.” The reality is, what the world tells us isn’t true. If we listened to these messages, our lives would become harried, empty, and phony. Instead we need to listen to the messages that God gives us in his Word. A great place to start is Proverbs 31. The woman described in this passage seems like the ideal woman, and she is. But even more, she is real. She is authentic and true, with a heart for God, a heart for her family, and a heart for her community. How do you become that woman? It’s a journey, and it happens by the choices you make every day.
