Electronic Projects for Musicians Books in Print Supplement Do-it-yourself Projects for Guitarists Practical Electronic Musical Effects Units

Electronic Projects for Musicians

Books in Print Supplement

While many facets of electronic projects construction have waxed and waned over the years, musical effects units have remained as popular as can be home constructed for much less than the cost of an equivalent ready-made product. Also, some of the more weird and wonderful effects units for the home constructor have no true commercial equivalents.

Do-it-yourself Projects for Guitarists

Practical Electronic Musical Effects Units

Shows how to build a preamp, ring modulator, phase shifter, and other electronic musical devices and provides a basic introduction to working with electronic components
